## COLLEGE RESOURCES

### Student ID Card

TTC's student identification card allows you to use library facilities, not just at TTC, but at other area colleges as well, including Charleston Southern University, The Citadel, the College of Charleston and the Medical University of South Carolina. Student identification cards are available for currently enrolled credit students through the Student Activities office at Main Campus, the Admissions office at Palmer Campus, the Student Success Center at Berkeley Campus, and at the Mount Pleasant Campus.

- Students can obtain student ID cards during the registration process or during the routine operating hours of the Main Campus Student Activities office, Monday through Thursday. There is a \$5 fee to replace an ID card. Students should revalidate their ID cards each semester. Proof of registration and a picture ID are required to receive a validation sticker.
- Continuing Education students receive ID cards from the Division of Continuing Education and Economic Development. Call 843.574.6152 for more information.

### Learning Assistance

Learning Assistance (LA) provides tutoring and resources to help you keep up, catch up or get ahead. Visit LA in the Learning Center in Room 211 in Bldg. 920 on Main Campus or Room 226 on Palmer Campus. Limited tutoring services may be available on Berkeley and Mount Pleasant Campuses. Make appointments for one-to-one or small group tutoring in English and math, join a study group or participate in the walk-in Math Center (Main Campus).

Writing tutors in The Writing Center can assist you with writing assignments and research papers, and they can help with specific topics, such as using MLA and APA documentation, addressing a writing task and recognizing errors in grammar and punctuation. LA also has videotapes, DVDs and informational handouts to help you improve your skills. Consultants in LA can also assist you with using your TTC Express, D2L and College email accounts.

To schedule appointments or inquire about workshops, go to an LA learning lab or call Main Campus at 843.574.6409 or Palmer Campus at 843.722.5516. All LA services are free to currently enrolled TTC students.

### Learning Resources (Libraries)

Learning Resources Centers (LRCs), or libraries, provide resources and services to assist with users' informational needs. Physical libraries are located on Main, Palmer and Berkeley Campuses. Staff members also travel to all other TTC locations to provide in-person services as needed. The library website is the gateway to library resources and services, making them accessible on or off campus. Through the home page you can access the online library catalog, electronic databases, tutorials, course-related resources, reserve items, research tips and assistance. Computers are available at each campus library with the Acceptable Use Policy displayed on each workstation.

TTC's library collection supports all programs of study as well as the information needs of the College community. All campus libraries share the collection, which includes books, periodicals, e-books, electronic resources, videos and DVDs. The library is a teaching library with reference and research assistance readily available.

TTC's library participates in several partnership agreements that increase the amount of resources available to faculty, staff and students.

The Charleston Area Library Consortium (CALC) includes TTC and other area academic libraries. Through this consortium, TTC students, faculty and staff have physical access, and students have certain checkout privileges, to the academic libraries of area Colleges by presenting a current TTC identification card.

The Partnership Among South Carolina Academic Libraries (PASCAL) includes South Carolina's academic libraries together with their parent institutions and state agency partners. PASCAL fosters cooperation on a broad range of issues including shared licensing of electronic resources, universal borrowing and Interlibrary Loan Services (ILS) hosting. Through this partnership, the LRC participates in PASCAL Delivers. PASCAL Delivers is a rapid, book-delivery service that allows faculty, staff and students to request books from any participating College library across South Carolina. Book requests can be made through the library's online catalog on campus or remotely from

At the end of each semester, the Bookstore conducts a book buy back at Main, Berkeley and Palmer campuses.

Generally, the book-buy-back is in the last few days of the semester. Check the TTC Bookstore web site and campus bulletin boards and read the College's publications for exact dates.

The Bookstore has a published **policy regarding the sale and return of textbooks**. You can find this policy on the Bookstore website.

All students in Health Sciences and Nursing programs are required to carry professional liability and major medical insurance.

## FINANCIAL INFORMATION

### Repayment of Federal Financial Aid

If you are receiving financial aid from Title IV federal funds (Pell, SEOG, Direct Lending) and you totally withdraw from the College or stop attending without officially withdrawing for any reason prior to attending 60 percent of the term or semester/term, TTC will determine if you are required to repay Title IV funds based on Title IV regulations. If payment is required, TTC will return funds to the federal government according to the federal guidelines.

The U.S. Department of Education instituted this repayment policy in the 2000-01 academic year for students receiving Title IV assistance (financial aid).

A portion of financial aid funds will be returned to the appropriate federal program upon a recipient's total withdrawal from the College. The amount returned is based on the percentage of enrollment completed for that term or semester and the amount of financial aid assistance considered earned.

1. The number of calendar days in the enrollment period (term or semester) is divided into the number of calendar days the student completed for that semester/term.
2. The amount of financial aid earned is equal to the percentage of the term or semester/term that was completed (up to the 60 percent point). If the student withdraws after the 60 percent point of the term or semester, term the student will have earned 100 percent of financial aid funds received for that semester.

### Veterans Tuition Payments

All students receiving Veterans' educational benefits, with the exception of the Post-9/11 (Chapter 33) Vocational Rehabilitation and Employment (Chapter 31) and state free tuition recipients, are required to pay their tuition and fees by the deadline date. These payments are due without regard to your receiving benefits checks from the Department of Veterans Affairs. Contact the TTC Veterans Assistance Center on the Main Campus in Bldg. 410 or call 843.574.6105 for additional information.

### Veterans and Overpayments

TTC certifies educational benefits for those veterans, spouses and children of deceased or 100 percent disabled Veterans who are eligible according to the provisions established by the Department

of Veterans Affairs and the state of South Carolina. Students receiving VA benefits that are processed through TTC's Veterans Assistance office must keep the TTC VA office informed about initial registration in classes each semester and immediately report any changes in enrollment status during the semester to avoid either underpayment or overpayment situations. If a Post 9/11 (Chapter 33) student's enrollment status changes, and the change results in an overpayment status with the Department of Veterans Affairs, TTC must refund the overpayment amount to the Department of Veterans Affairs. The student will then owe TTC the overpayment amount returned to the Department of Veterans Affairs.

The overpayment will appear on the student's TTC account as a balance due. It is the student's responsibility to contact the Department of Veterans Affairs to appeal an overpayment status.

### Additional Fees and Charges

The fees listed below are not necessarily all-inclusive and are subject to change without notice.

#### Fees

**Application Fee:** \$30 due with application

**Credit by Exam Fee:** \$45

**Student ID Card Fee:** \$5 for replacement ID; first card no charge

**Student Official Transcript Fee:** \$10 per transcript

#### Debts Owed to the College

You will not be permitted to receive your graduation diploma, official and unofficial transcripts, current semester grades and you will have limited access in the my.tridenttech.edu student portal, which will prevent you from registering for any upcoming term/semester

## FINANCIAL INFORMATION

### Payments and Account Balances

#### Payment Policy

When you register, you are required to pay the balance due on your account by the published payment due date. TTC must receive payment for the balance due by the published payment due date, or the College will remove your enrollment in courses for the term and/or semester.

Take advantage of the **College's payment plan** option in the TTC Express menu (NBS Tuition Payment Plan Information).

The deadline for payment applies to all students with a balance due on their account, including students with financial aid if a balance due exists after financial aid awards apply to your account.

If you enrolled during the early registration period and your classes were removed for nonpayment, there is no guarantee that you will be able to re-enroll in the original course sections that you selected.

**Failure to pay the balance due by the published payment due date will result in your removal from all courses.**

#### New Payment Schedule with Compressed Schedule

It is important that you understand the new payment deadlines for compressed schedule registration. Check [On Course](#), the semester enrollment guide, the [TTC website calendar](#) and the [my.tridenttech.edu student portal calendar](http://my.tridenttech.edu/student_portal_calendar).

#### Account Balances

***You are responsible for accessing your my.tridenttech.edu account to determine what you may owe.***

Log into [www.tridenttech.edu](http://www.tridenttech.edu) and go to the TTC Express menu>the [Student Account Activity and Make a Payment](#) to view your financial aid awards **by term** and any balance that you owe.

If you are eligible for financial aid, the balance due shown on the Student Account Activity screen is what you actually owe after all financial aid awards that you are eligible to receive have been credited to your account.

*You will not receive a bill in the mail for tuition and fees that you owe.*

## STUDENT RESPONSIBILITIES

### Student Responsibilities

#### General Responsibility

As a student, you are responsible for being informed of all policies and procedures required to attend TTC, most of which are found in the TTC Catalog and the TTC Student Handbook.

You may review all TTC's policies and procedures in the offices of the Registrar, Student Activities, Vice President for Student Services, and Counseling and Career Development Services. College regulations will not be waived because a student pleads ignorance of established policies and procedures. If you are unsure of any procedure, you should seek help or clarification from the Registrar's office or an academic advisor.

Academic policies and procedures are subject to change. If changes occur, they will be published in the next Catalog, Student Handbook or Policies and Procedures manual, all of which can be accessed on TTC's Website.

#### Student Responsibilities

Essential consumer information about TTC is available at [www.tridenttech.edu](http://www.tridenttech.edu) > Get Started > What To Expect > Essential Consumer Information, in accordance with the Higher Education Reauthorization Act of 2008.

#### Placement Testing Changes

Entry-level placement test score requirements are subject to change.

#### Student Documents

You are responsible for making sure that you send all required documents to the College by the appropriate deadlines.

All documents submitted to the College become the permanent property of TTC. Therefore, documents will not be copied for or distributed to students by the College.

#### Student Debts

The S.C. Tax Commission supports TTC by collecting any delinquent accounts or debts owed by former or current students from students' tax refunds.

The Setoff Debt Collection Act of 1988 allows the S.C. Tax Commission to assist any state agency in the collection of any delinquent account or debt. For more information, call 843.574.6565.

#### Returned Checks

If you give TTC a bad check to pay any fee, you will be assessed a service charge in accordance with current law and will be given 10 days to pay the fees and any penalty fee. During this 10-day period your classes may be canceled. If the check and service fee have not been paid within 10 days, TTC may take legal action to collect the check with court costs and fees added to the amount of the original check.

The Code of Laws of South Carolina provides for a fine of not less than \$50 or a term of imprisonment for drawing and uttering dishonored checks.

#### Disabilities-Related Needs

The College complies with relevant provisions of SEC 504 of the Rehabilitation Act of 1973 and the 1990 Americans with Disabilities Act. Appropriate, reasonable accommodations based on current medical and/or psychological documentation can be provided. If you need and qualify for these services, contact Services for Students with Disabilities at 843.574.6131 or TTY hearing-impaired phone 843.574.6351 for more information and assistance.

#### Communication To Students

Students are responsible for checking their [my.tridenttech.edu](http://my.tridenttech.edu) e-mail and TTC Express information in the student portal on a regular basis for important college information about financial aid, payment deadlines, registration, college events and announcements.

The College corresponds with students through its official student e-mail [my@tridenttech.edu](mailto:my@tridenttech.edu) to insure protection of student identity and to maintain the privacy and security of student records.

In person classroom time is significantly less than required in a traditional in-person course and scheduled classroom meeting days must be attended.

### International Students

TTC international students come from over 100 countries and enjoy participation in an active international student organization at the College. The admissions coordinator for international students is located at the Main Campus and is the College's designated school officer (DSO) with the Department of Homeland Security.

**F-1 STUDENTS**

F-1 students are registered in SEVIS, the Department of Homeland Security international student software tracking system, immediately upon arrival at TTC. The college listed on the I-20 form and on the F-1 visa is the only college the student is authorized to attend. F-1 students are required to pursue a full course of study (at least 12 semester hours) during spring and fall semesters. Students starting TTC in summer semester must be full time. F-1 students are required to make normal progress and maintain academic good standing toward completing their course of study and must complete studies before the program completion date on the I-20 form. F-1 students are required to keep a valid I-20 form by following proper procedures for changes in educational level or program of study or requesting extensions, transfers, or exceptions to full-time status. F-1 students may remain in the United States longer than the 60-day grace period after completing a full course of study ONLY if granted approval prior to completion for practical training, transfer or changing educational levels. F-1 students are NOT allowed to work off campus without specific authorization. F-1 deposits may not be used for tuition or fees and are not refunded until completion of the second semester.

**INTERNATIONAL STUDENT REQUIREMENTS**

All international students must abide by rules requiring disclosure of information and prohibition of criminal activity, and by any special requirement such as Special Registration. All visa and permanent resident students must provide a current street address and must report any change in address to the Department of Homeland Security and to TTC's DSO in Admissions within ten business days. F-1 address changes are updated in the SEVIS software. For additional information, see [www.uscis.gov](http://www.uscis.gov).

## ORIENTATION

### Orientation Information

Orientation is an ongoing service at TTC. For your convenience, Orientation Centers are open on all campuses Monday through Friday. No appointment is necessary – drop by when you are on campus.

Students attend orientation after acceptance to the College.

New student orientation is an important part of getting started at TTC and is vital to your academic success. All new TTC students should attend. Each student receives a customized orientation because we want you to achieve your educational goals and have a positive experience. Your orientation leader answers general questions you may have about the College, explains the various services at TTC and assigns your academic advisor.

Make an appointment with your academic advisor for help with selecting the correct courses and registering you for the times and days you wish to take classes. The longer you wait, the fewer choices you will have with scheduling your classes.

#### ORIENTATION SERVICES FOR ALL NEW STUDENTS:

- View a "Welcome to TTC" video
- Explore TTC's Web site and portal
- Talk with an orientation leader
- Verify major – change major, if necessary
- Receive Placement Test retest pass, if appropriate
- Receive academic advisor assignment
- Receive important informational handouts
- Get answers to questions about TTC
- Learn about student rights and responsibilities

#### ORIENTATION SERVICES FOR NONDEGREE STUDENTS:

- New student orientation
- Transfer information – local area College catalogs and transfer notebooks with forms and current information
- Register for courses – Bring appropriate documents, if you need prerequisite overrides

### Online Orientation

Orientation Services provides an on-line orientation process for students who are unable to attend the on-campus orientation. Check the Orientation page under Get Started > How to Apply at [www.tridenttech.edu](http://www.tridenttech.edu) for availability information about the on-line orientation process.

### Placement in Courses

#### OPTIONS AFTER TTC'S PLACEMENT TEST

TTC's Placement Test determines your academic preparedness for initial placement in courses. TTC's Placement Test measures your current skill level in reading, writing and math. It is not a measure of potential. Students who do not have qualifying SAT or ACT test scores or are not transferring a college-level math and/or English course to TTC will need to take all or part of TTC's Placement Test. The placement test is an untimed test and you can take the test at any campus. Students receive their test results immediately after test completion.

An Orientation leader can provide information about placement test scores in relation to courses you should take based on your placement test scores. If dissatisfied with your placement test scores, you are allowed one retest without Academic's approval. There is a fee for retesting, payable at the Business office. You must present your paid receipt when you retest. If you remain dissatisfied with your first retest scores, you may retest a second time if your test scores are within a specific retest range and with Academic's approval. An additional retest fee applies. You have three maximum testing attempts per test section per 12-month period.

### Assignment of Academic Advisors

Degree-seeking students receive an academic advisor who not only advises students but also teaches full-time in their program of study. Students in selected majors who need a reading course have an additional advisor in the Learning Center.

Students undecided about their major are assigned to a counselor who is knowledgeable about the career decision-making process to work with students to choose a program of study. Students then return to the Orientation Center, change their major and are assigned a new advisor in their program of study. Most academic advisors teach a full load of classes or in programs with a large number of lab or clinical courses. In addition to teaching, they serve on committees, are involved with course and program development, and must keep up with the technology and changes in the career field for which they are training students. They also often teach in more than one location.

## ORIENTATION

It is important to contact academic advisors early for registration appointments. Because of the demand on their time, faculty and counselors manage their advising time carefully. In most cases, students will need to leave a phone message including name, phone number and time of day to contact. Students may e-mail their advisors. Students who have been to an Orientation Center can find their academic advisor's name and phone number in the student portal > TTC Bookmarks > My Advisor with a direct link to the advisor's e-mail at that same location.

### ***Get a New Advisor When Changing Your Major***

Students who want to change their major or add a dual major must submit the request to the Registrar's office online through [my.tridenttech.edu](http://my.tridenttech.edu) > TTC Express > Academic Profile > Student Change of Major. or print a paper copy of the form from TTC website > Current Students > Registrar's Office > Forms to submit to the Registrar's Office on Main Campus or the Admissions office at any other TTC campus prior to registration. All changes submitted during the drop/add period will be effective that semester. Changes submitted after the drop/add period will be effective the next semester. If you receive veterans' educational benefits and change your major, you must provide TTC's VA office with a copy of the Student Major Update form that you submitted to the Registrar's office.

If you completed orientation, call the Main Campus Orientation Center (843.574.6436) or e-mail an orientation leader to obtain the name of a new academic advisor. If you have not completed orientation, visit an Orientation Center soon. Visit TTC's Orientation web site to find the e-mail addresses of orientation leaders.

### **Preparation for Registration**

Steps for registration appear in this handbook under "The Registration Process".

Registration for the next semester begins at midterm of the current semester. Students who are returning to TTC after not enrolling for several semesters should check with the Orientation Center to verify that they have a current academic advisor for their program of study.

**Advisement for Nondegree Seeking Students**  
For most courses, nondegree-seeking students do not need an advisor's signature. However, many courses have prerequisites or skill requirements. To register for one of these courses you must have departmental approval if your TTC records do not show that you have met the prerequisites or skill requirements. You may be required to provide evidence of prerequisites, corequisites or skill requirements such as transcripts, grade reports or qualifying test scores. Nondegree-seeking students may register in the Orientation Centers or in the Registrar's office.

### **Returning to College**

College skills courses are available to assist students who have been out of school for some time or have never developed the skills necessary to achieve academic success. Financial aid will pay for these courses for qualified students.

### **COL 103 – CollegeSkills**

This three-credit course covers study skills, life skills and an introduction to career exploration. Students learn note-taking techniques, test-taking skills, communication skills, problem-solving techniques, and life management skills such as time and stress management. In addition, TTC librarians teach an electronic library unit where students complete a hands-on activity to familiarize themselves with electronic database research.

### **IDS 101 – Human Thought and Learning**

This course explores the principles, methods and applications of human thought and learning. Students study such topics as attention, information processing and problem solving.

## FINANCIAL AID

### Financial Aid

Federal financial aid programs assist students who have financial need as determined by the federal government. A financial need exists if the resources of the family (Expected Family Contribution, EFC) do not meet the total cost of attending (COA) college. The COA includes tuition, fees, books, supplies, room and board, and personal and transportation expenses.

A variety of financial assistance is available at TTC to help you with the cost of attending college. TTC's Financial Aid office assists prospective and current students and their families by:

1. Providing information about financial resources.
2. Assisting with the Free Application for Federal Student Aid (FAFSA).
3. Calculating the level of eligibility for financial assistance.
4. Awarding financial aid based on enrollment and eligibility status.
5. Monitoring students' Satisfactory Academic Progress (SAP) each semester for continued eligibility for financial aid programs. For more information, go to <http://www.tridenttech.edu/pay/keeping/index.htm>.

Financial aid awards occur on a yearly cycle. Each award year begins with the fall semester and ends with summer. You must complete a new FAFSA every year for the next award year, which begins with fall semester.

### Understanding Your Financial Aid Awards

Upon acceptance to TTC and after you Complete financial aid requirements, the Financial Aid office will notify you about of your financial aid awards. The financial aid award letter will list all financial aid you are eligible to receive and the terms and conditions of the award(s) based on **full-time** enrollment. Your award letter is available in the student portal. You will receive updates on any changes, additions and/or corrections to your financial aid awards via [my/tridenttech.edu](mailto:my/tridenttech.edu) student email. If you apply for financial aid in time and are eligible, your tuition and fee charges are taken from the financial aid awards you are eligible to receive (excluding federal work-study awards). If you have sufficient funds after tuition and fee

charges, you may be able to pay for your books by charging them to your student account. Book charges subtract from your remaining financial aid. After payment of tuition and any book charges, if any funds remain, the Finance division will issue a refund by check or electronic funds deposit (EFT). You set your refund choice in your student portal account.

Below is an example of how to read and understand your award letter. Remember full-time enrollment is the basis for each award in your award letter. If you enroll in less than 12 credit hours, your award reduces to a lower amount. Your enrollment status is determined, and aid is adjusted, at the end of the drop/add for each term/semester. Awards cancel for students not enrolled. Cancelled awards may not be available to the student in subsequent terms of enrollment.

#### \* Federal Award Examples:

You can earn up the total work-study award amount.

## FINANCIAL AID

### Applying for Financial Aid

To apply for financial aid programs, complete the Free Application for Federal Student Aid (FAFSA). A new or renewal FAFSA must be submitted for each academic year (fall through summer) and is available to complete for the upcoming academic year after October 1. The FAFSA is available online at <http://www.fafsa.gov>.

#### **TTC's school code is 004920**

Be sure to list TTC as one of the colleges to receive your application information. YOUR FAFSA INFORMATION DETERMINES YOUR FINANCIAL AID ELIGIBILITY

The FAFSA is a user-friendly online application that uses skip logic to ensure that it only asks you the questions you are required to answer. It will interface with the IRS to supply your federal tax information. This reduces the chance of error, and speeds your application. You may need to answer questions about other income that is not included in your tax return, so be sure to gather that information before you begin.

After you submit the FAFSA, you and the colleges you identified receive an electronic Student Aid Report (SAR). Processing times vary based on the volume of applications when you submit. It is a good idea to apply early so that you do not experience any delays.

If corrections or additional information are required, you can update using the links in your notification. It is important to respond promptly to any requests for corrections or additional information.

*FEDERAL REGULATIONS REQUIRE THAT SELECTED FINANCIAL AID APPLICANTS PROVIDE VERIFICATION OF ALL FAFSA INFORMATION. IF YOUR FAFSA IS SELECTED FOR VERIFICATION, YOU WILL BE NOTIFIED IN YOUR SAR AND BY TTC'S FINANCIAL AID OFFICE. TTC WILL NOTIFY YOU BY [my.tridenttech.edu](mailto:my.tridenttech.edu) STUDENT EMAIL.*

Once you complete all verification and enrollment requirements, TTC's Financial Aid office will send your award letter.

Families whose financial situations have changed dramatically since completing their taxes, or submitting the FAFSA may be eligible for additional. Contact the Financial Aid office about any extraordinary changes in your finances.

### Financial Aid and the Transfer Student

- Financial aid awards do not transfer from one college to another.
- Students must request to have a FAFSA sent to a new college.
- Students transferring to TTC must request a duplicate Student Aid Report (SAR) at <http://www.fafsa.ed.gov>. **TTC's code is 004920.**
- It is the student's responsibility to notify the Financial Aid office about attendance at another college or university.

### Action and Deadline Dates

Dates to complete financial aid are available for each term/semester of the academic year. To avoid delays, you should apply at least 60 days before the start date of your classes. Submit all documents requested to the TTC Financial Aid office as soon as possible after the request. Your financial aid will be available prior to the beginning of the semester/term when you plan to enroll if you apply by the priority date. If you submit your FAFSA after the published date, be prepared to pay your tuition and fees and purchase your books by the payment deadline for the semester/ term. The Financial Aid office will process your FAFSA in the order received. You will receive a reimbursement based on your level of eligibility for financial aid. Once the term or semester has begun, there are certain deadlines for aid that cannot be extended. Always apply early and have your aid completed before classes begin to avoid losing any aid for which you qualify.

### Types of Financial Aid

Financial assistance programs offered at TTC include federal Title IV programs, SC grants and scholarships, and TTC Foundation scholarships. Federal financial assistance includes the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal College Work-Study, and student and parent loans. SC programs include South Carolina Lottery Tuition Assistance, LIFE Scholarship, and the South Carolina Need-Based Grant. For more information, visit Paying for College at [www.tridenttech.edu](http://www.tridenttech.edu) or the TTC catalog.

## FINANCIAL AID

### TTC Scholarships

Trident Technical College and the TTC Foundation offer a number of scholarships provided by area individuals, businesses, civic organizations, and nonprofit groups. Awards are competitive based upon the stated criteria. The TTC Scholarship Committee selects the most qualified recipients. Awards are based on availability of funds and do not require repayment. More information about scholarships and the scholarship application are on TTC's Web site ([www.tridenttech.edu](http://www.tridenttech.edu)) click Support TTC>How We Help.

### Eligibility for Financial Aid

Eligibility for federal (and some state) financial assistance awards requires:

- A high school diploma or its equivalent (GED)
- Enrollment in a program of study that is eligible for federal financial aid awards
- No default on any student loans
- Not in repayment on any Federal Pell or SEOG grant
- Satisfactory Academic Progress in credit courses as defined by TTC
- A valid financial aid application (FAFSA)
- U.S. citizen or eligible non-citizen
- A valid Social Security number
- Compliance with Selective Service registration
- Demonstrated financial need, except for unsubsidized and parent loans, scholarships, and Lottery Tuition Assistance

### Federal Financial Aid Penalties for Drug Law Violations

It is the law! You might not be able to receive federal student aid if you have a conviction for selling or possessing illegal drugs that occurred while you were receiving federal student aid (grants, loans, and/or work-study)

If you have a past drug conviction, this does not automatically mean that you are ineligible for federal student aid. The worksheet at [www.fafsa.gov](http://www.fafsa.gov) will help you determine your eligibility, or you can contact your Financial Aid Officer to discuss your options.

You should complete and submit your FAFSA even if you are not eligible for federal student aid. You may be eligible for aid from other sources that require the FAFSA, such as Lottery Tuition Assistance.

### Your Financial Aid Status

As long as you are making **Satisfactory Academic Progress (SAP)**, you are in good standing. If your status changes because of your grades or lack of progression in your academic program, TTC will notify you by email through your [my.tridenttech.edu](mailto:my.tridenttech.edu) student email account after grade processing each semester.

However, it is ultimately YOUR responsibility to know your SAP eligibility status. If you do not understand the SAP policy, you should contact the Financial Aid office

SAP for SC Lottery Tuition Assistance calculates once a year at the end of the summer semester. Once a student has attempted 24 credit hours, the student must maintain a minimum cumulative GPA of 2.0 for continued eligibility. If the student does not maintain the required GPA after attempting 24 credit hours, the student's SC Lottery SAP status changes to Unsatisfactory. The student will be ineligible for lottery funding until the annual review in which the student's GPA is at or above the minimum.

<b><i>Enrollment Status</i></b>	<b><i>Enrollment Requirement</i></b>
Full time status	At least 12 credit hours
Three-quarter status	9 to 11 credit hours
Half-time status	6 to 8 credit hours
Less than half-time status	1 to 5 credit hours

## FINANCIAL AID

### Financial Aid and Never Attended Process

Faculty report students who never attended after the first week of classes. The College removes students who did not attend from class rosters. A never-attended student's financial aid awards may adjust or cancel depending upon the student's final enrollment status after removal of never attended courses for the semester.

### Financial Aid – Eligible Programs of Study

You must enroll in an eligible program of study to receive any type of federal aid. Many certificate programs are ineligible for federal aid. General Education Development (GED) and Continuing Education courses are not eligible programs. Audit classes are not eligible for financial aid. You receive awards only for those courses required for graduation or as prerequisites for courses required in your program.

All associate degrees are automatically eligible for financial aid. The listing of TTC's eligible programs is available on the website. [http://www.tridenttech.edu/pay/available/fa\\_programsOfStudy.htm](http://www.tridenttech.edu/pay/available/fa_programsOfStudy.htm).

### Repayment of Federal Financial Aid Funds

**If you receive financial aid and withdraw from or stop attending ALL classes, you may have to repay a portion of your federal financial aid funds. You may also owe funds back to Trident Technical College.**

The US Department of Education requires TTC to follow attendance guidelines and prorate aid in some cases for students who withdraw from all classes. You may have to pay back unearned funds to the federal government. You may also have to repay unearned funds to TTC. You will be ineligible to receive any future financial aid at any college or university until you repay the funds. You will be unable to continue attending TTC until you pay the balance owed. If your enrollment falls below six credit hours after the initial disbursement of your student loans, your loans may be returned to the lender and you may owe a balance to TTC. You will be unable to register until you repay loan funds that TTC provided to you that the college had

to return. Contact Financial Aid to discuss.

### Financial Aid Definitions

**Cost of Attendance (COA)** – The total costs for attending a specific college, usually expressed as a yearly figure. COA includes tuition and fees, allowances for books and supplies, room and board, personal, and transportation.

**Default** - Failure to repay a loan according to the terms of the promissory note.

**Eligible program** - a course of study that leads to a degree, diploma or certificate and meets the U.S. Department of Education's requirements as an eligible program for federal student aid.

**Expected Family Contribution (EFC)** - The amount you and your family should contribute toward your education based on your FAFSA information. The EFC appears in the upper right-hand corner of your Student Aid Report (SAR). You receive your SAR after filing the Free Application for Federal Student Aid.

**FAFSA** - Free Application for Federal Student Aid. Online application that is the foundation of requesting financial aid. TTC's school code is 004920.

**FSA ID** - An FSA ID is a username and password that used to log in to federal student aid websites. Your FSA ID identifies you as someone who has the right to access ED websites. Parents of dependent students will need their own FSA ID to sign the FAFSA. Please note: Each FSA ID user must have a unique e-mail address.

**Federal Direct Student Loan** - A low interest federal loan for educational expenses. To determine eligibility, students must complete the FAFSA, a Loan Request, and a Master Promissory Note. *Note:* The Financial Aid office counsels students about the type and amount of loans that they are eligible to borrow. Upon graduation or ceasing enrollment of at least half time, students must complete online Exit Counseling.

- **Subsidized Loan.** The federal government pays the interest while you are in school. You begin repayment, and interest begins six months after you graduate or cease at least half-time enrollment.

## FINANCIAL AID

- **Unsubsidized Loan.** Interest begins when you receive the loan. You may defer payment until after graduation or while enrolled less than half time. You may make quarterly interest and/or principle payments to avoid the compounding of interest that leads to higher monthly payments.

**Federal Pell Grant** is for low-income students who have not previously received a baccalaureate degree. The FAFSA information determines the student's eligibility.

**Federal Supplemental Educational Opportunity Grant (FSEOG)** –may supplement the aid to Pell Grant recipients.

**Federal Work-Study Program (FWS)** a need based program that provides part-time jobs for eligible students. Positions are limited and students should apply early. Applicants must complete the FAFSA and TTC's application for Federal Work-Study. Students work up to 20 hours/ week.

**Grants and Scholarships** –do not require repayment. A student's financial need determines grant amounts. Scholarships usually involve academic merit criteria.

**IRS Data Retrieval Tool** - Allows FAFSA applicants and parents to request and retrieve their tax data directly from the IRS. Once retrieved from the IRS, it can transfer to the FAFSA application.

**IRS Tax Return Transcript** - shows most line items from the federal tax return (Form 1040, 1040A or 1040EZ) as originally filed, including any accompanying forms and schedules. It does not show any changes made after filing.

**Loan** – Borrowed money a student must repay with interest. Maximum loan amounts depend on the student's status in school and financial need.

**Promissory note** – a binding legal document. The Borrower signs to promise to repay all student loan funds, fees and applicable interest. It lists the conditions for borrowing, and the terms required to pay back the loan.

**Satisfactory Academic Progress (SAP)** - To be eligible to receive financial aid, you must be successfully completing the classes required to complete a degree, diploma, or certificate.

### Managing Your Finances - Budgeting Basics

#### Step 1: Figure Out What You Have

- Add up all your sources of income, including student grants, scholarships, loans, Work-Study income, income from part-time job, and EFC.

#### Step 2: Figure Out What You Need

- Add up your tuition and living expenses.
- Estimate cost of books and supplies.
- Estimate cost of food, utilities, transportation, etc.
- Remember to include educational expenses you need, not want.

#### Step 3: The Moment of Truth

- Compare your monthly income to your monthly expenses.
- If you do not have enough income to cover your expenses, figure out where you can cut corners.
- If you have extra, then add in the "want" items, such as entertainment.

### Checklist and Helpful Hints

- ☐ Complete all federal and state tax returns as soon as possible after January 1 and keep a copy.

## FINANCIAL AID

### STUDENTS AND PARENTS

*Completely read this section!*

The contents of this Handbook are subject to change without notice because of changing federal and state legislation.

### COMMUNICATION WITH STUDENTS

Trident Technical College provides an email account to all students. It is extremely important that you maintain your TTC my.tridenttech.edu student email account.

**It is your responsibility as a student to check your TTC my.tridenttech.edu email account frequently to retrieve official TTC communication.**

Financial Aid emails students about missing or incomplete financial documents, and information concerning financial aid award packages.

### FINANCIAL AID AND WITHDRAWING FROM ALL CLASSES OR SCHOOL

If you have financial aid, and withdraw from OR stop attending ALL classes, you may have to pay a portion of your federal student aid funds back to the federal government. You may also owe funds back to Trident Technical College (TTC).

The US Department of Education requires students to attend classes in order to qualify for the full amount of aid. You may have to pay back the "unearned" funds to the federal government.

- You may also have to repay "unearned" funds to TTC.
- You will be ineligible to receive any financial aid at any college or university until you repay the debt.
- You will not be able to attend TTC until you pay the debt owed to the college or make payment arrangements with the Business Office.

It is very important for you to consider the financial implications of withdrawing from all of your classes or not attending all of your classes. Meet with your professor and Financial Aid Officer before making such a decision.

### IMPORTANT REMINDERS

1. You may NOT use FA/VA educational benefits to pay for:
  - Audited courses
  - Credit hours earned through advanced placement or challenge testing
  - Non-credit coursework
  - More than two attempts of ANY course if a passing grade is earned \*You may use FA/VA educational benefits to pay for developmental studies courses (begin with a zero) There is a limit of 30 credit hours that can be paid with student aid funds. These courses count toward your SAP pass rate, but do not affect SAP GPA calculations.
2. VA educational benefits will only pay for courses taken in person (in the classroom).

\*Contact the VA office, Building 410 Main Campus, for information concerning VA/SCFT course attempts.

## FINANCIAL AID

### Important Things to Know About Financial Aid

#### **BASICS:**

1. The financial aid year begins with the fall semester and includes the following spring and summer.
2. Repeating Courses- Federal regulations limit the number of times a student may repeat a course and receive financial aid for that course. A student may receive aid when repeating a course that was previously failed (received a failing or unsatisfactory grade) regardless of the number of times the course was attempted and failed, until the student's SAP status is Ineligible. A student may receive aid to repeat a previously passed course (grade of 'D' or higher) one additional time. Once the student has completed any course twice with a passing grade (grade of 'D' or higher, he/she is no longer eligible to receive aid for that course. This rule applies whether or not the student receives aid for earlier enrollment in the course.
3. A grade of W does not affect your Grade Point Average (GPA). A grade of W hurts your SAP Pass Rate. A grade of F hurts your GPA.
4. 30 hours of Developmental coursework qualifies for financial aid. These credits will be included in Pass Rate, but will not affect cumulative GPA.
5. Financial aid can only pay for courses required for completion of your official, eligible program of study.

#### **YOU ARE RESPONSIBLE FOR:**

1. Knowing and understanding the financial aid rules and guidelines.
2. Knowing your eligibility status at all times.
3. Successfully completing the Free Application for Federal Student Aid (FAFSA) each year to apply for ANY financial aid, including the South Carolina Lottery Tuition Assistance.
4. Reapplying for financial aid EVERY year by successfully completing a new FAFSA.
5. Completing your certificate, diploma or degree program within 150 percent of the hours required for the program. (For more information on maximum hours, see the SAP Policy discussed above)
6. Meeting ALL student aid requirements for eligibility, including SAP measures.

## FINANCIAL AID

### Standards of Satisfactory Academic Progress (SAP)

Trident Technical College (TTC) wants you to succeed as a student. To attend and complete college, many students use one or more types of financial aid (FA). To be eligible for FA funds at TTC, you must make satisfactory academic progress (SAP) toward your academic program. SAP is measured at the end of each semester using the following three factors.

#### 1. Grade Point Average (GPA)

You must maintain a 2.0 **cumulative** TTC\* grade point average (GPA).

\*TTC GPA does not include grades of transfer courses.

#### 2. Pass Rate

You must pass at least 67% (not rounded) of all cumulative hours **attempted**. This number is called your Pass Rate. Passing means a grade of A, B, C, or D and credit hours earned. *Grades of F, I, W, U, and AU do not count as passing.* All transfer hours accepted at TTC count in both attempted and completed hours for Pass Rate. The grades for these courses do not transfer in and are not included in your cumulative TTC GPA (see above).

To calculate your Pass Rate: Divide the number of Cumulative Completed Hours by the number of Cumulative Attempted Hours.

Example 1: 6 cumulative hrs. completed ÷ 14 cumulative hrs. attempted = .4286 or 42.86% (below requirement)

Example 2: 45 cumulative hrs. completed ÷ 67 cumulative hrs. attempted = .6716 or 67.16% (meets requirement)

Example 3: 20 cumulative hrs. completed ÷ 30 cumulative hrs. attempted = .6667 or 66.67% (below requirement)

#### Examples of Pace Progression:

Total Hours Attempted	Minimum Hours to Complete (67%)
4	3
9	7
12	9
24	17
42	29

#### 3. Maximum Hours\*

For each FA-eligible program of study, TTC must set the maximum number of hours for which you are eligible to receive federal student aid. The maximum allowed is 150% of the credit hours required for your program of study.

- If you have declared more than one program of study, the Maximum Hours rule will be applied to the program with the highest number of required credit hours.
- The total attempted hours which could apply to your program of study will be counted toward Maximum Hours. This includes all Developmental and Bridge Courses

!!! You can only change your program of study THREE times before becoming ineligible for federal student aid.

## Standards of Academic Progress (SAP) SAP Statuses

**Satisfactory** – You met the GPA, Pass Rate, and Maximum Hour requirements. You are eligible to receive financial aid.

### Veterans Assistance

#### Enrollment for Veterans, Veterans Dependents and Service Personnel

TTC is a regionally accredited institution of higher learning certified to process claims for veterans, and spouses and children of deceased or 100 percent disabled veterans with the Department of Veterans Affairs and the state of South Carolina. TTC is also designated a Service members Opportunity College (SOC) by the Department of Defense, the American Council on Education (ACE) and the American Association of Community Colleges. Information about all SOC programs is available at your Military Education office. As a SOC institution, TTC is committed to assisting veterans, eligible spouses and dependent children, and active duty personnel to meet their educational needs.

TTC has full time Veterans Assistance offices (VA) located on the Main Campus, the Berkeley Campus and the Palmer Campus. The TTC VA office employees coordinate college services and provide information, referrals and assistance to veteran students, reservists, active duty personnel and eligible dependents of veterans with admission, educational and vocational counseling, financial aid and other needs that affect educational progress.

#### Applying for Benefits

All programs of study in TTC's catalog are eligible for VA educational benefits. Once you have applied to the College and been accepted in an approved program of study contact the TTC VA office. The TTC VA office personnel will assist you in obtaining the appropriate application and guidance in completing the application process. Each semester you must submit a copy of your course schedule to the TTC VA Office. The Department of Veterans Affairs may take 30 to 45 days to complete the processing of an initial application. If you have not received an award or acknowledgement letter from the Department of Veterans Affairs within 45 days or if you have specific questions concerning the status of your claim or release dates of checks, call the Department of Veterans Affairs at 1.888.442.4551 or e-mail them by

visiting <http://www.gibill.va.gov/> and click on "Ask a Question". You must submit your course schedule before the TTC VA Office can certify your VA benefits. It is to your advantage to submit your schedule as soon as possible. Submitting your schedule during the first week of the semester/term or the week of a scheduled purge is an extremely busy time. The TTC VA office processes certification in the order received. Schedules submitted during these times are on a first come first serve basis.

Students receiving veteran's educational benefits may also qualify for other financial aid beyond military educational benefits. Students are encouraged to apply by completing the Free Application for Federal Student Aid at [www.fafsa.gov](http://www.fafsa.gov).

#### Transfer Credit

The VA requires colleges to adhere to provisions set forth in accordance with Section 21.4253 b (3) and 21.4258 a (7) of Title 38, US code of Federal Regulations regarding prior credit evaluations. Students receiving veteran's educational benefits must submit their military and/or college transcripts to the TTC Admissions office no later than the end of the second semester of enrollment at TTC. TTC's VA office will process enrollment certifications to the Department of Veterans Affairs for only two semesters pending prior credit evaluations. ### VA Refund Policy

Trident Technical College issues full or partial refunds according to the refund periods published each semester in the master schedule of classes and public college calendars.

These type payment calculations apply for Chapters 30, 31, 32, 35, 1606, 1607 only. ### VA Certification for Online Courses

For VA certification requirements for off-campus courses such as practicums, internships/externships and residencies, and courses offered via the Internet or other modes of distance learning, TTC acknowledges that these courses are part of the College's approved curriculum; are directly supervised by the College, are measured in the same unit as other courses; are required for graduation; and are part of a program of study approved by the State Approving Agency. The College requires that the faculty teaching these courses use a grading system similar to the grading system used in resident courses and include statements in the course syllabus that indicate that appropriate assignments are needed for the completion of the course and that the student is expected to demonstrate, at least once a week, active involvement in the class. Examples of activities used to demonstrate this involvement include, but are not limited to, the following: posting/ receiving e-mails, participating in online class discussions and class chat rooms, and completing and submitting course assignments. Further, TTC requires that these courses have schedules of time for training and the College for its resident courses normally requires instruction that demonstrate that students shall spend at least as much time in preparation, instruction and training.

### Receiving VA Benefits

As a student receiving VA educational benefits, you may receive benefits only for those courses that are required for graduation in your major. In addition, the VA will not pay for audited courses or courses for which you have received transfer credit or received a passing grade.

meetings with enough class sessions to support the credits being pursued and contain **no** online or independent study elements.

### Repeat Course Policy

Students receiving VA educational benefits will not be certified for a remedial course on a third attempt when the grade of "U" has been earned. Students receiving the S.C. State Free Tuition program will not have tuition waived for a remedial course on a third attempt when the grade of "U" has been earned.

### Standards of Academic Progress

Students receiving VA educational benefits and students receiving the S.C. State Free Tuition program must maintain satisfactory academic progress according to the standards established and enforced by the College. Failure to maintain satisfactory academic progress will result in termination of VA benefits.

### Student's Responsibilities

Students are required to submit a copy of their class schedule and register with the TTC VA office each semester/term to have their enrollment information submitted to the Department of Veterans Affairs. - If you change your major, you must complete a Student Major Update form and bring a copy of this form to the TTC VA office when processed. The form is online in the [my.tridenttech.edu](http://my.tridenttech.edu) student portal.

### Prior Credits Earned

If you have previously attended other colleges, you must request official copies of your military and college transcripts to be submitted to the TTC Admissions Office. Your enrollment will be certified to the VA for only two semesters without the receipt of your official transcripts. It is your responsibility to check with the TTC Registrar's office to ensure that your transcripts have been received and a prior credit evaluation for the program in which you are enrolled has been completed. A prior credit evaluation also applies when you change your major while enrolled at TTC. It is your responsibility to meet with your advisor or the department head to have prior credits reviewed for application to your new major. Again, your enrollment certification to the VA will be certified for only two semesters pending prior credit evaluation.

### VA Work-study

Students enrolled three-quarter or full time are eligible to apply for a VA work-study job. Obtain an application from the TTC Veterans Assistance office.

### Activated Student Reservists

## SERVICEMEMBERS OPPORTUNITY COLLEGE

# Servicemembers Opportunity College (SOC)

Servicemembers Opportunity College (SOC) functions in cooperation with the Department of Defense (DoD) and Active and Reserve Components of the Military Services to expand and improve voluntary postsecondary education opportunities for service members worldwide. The DoD funds the program through a contract with the American Association of State Colleges and Universities (AASCU). The SOC program is a cooperative civilian and military effort designed to link service members to institutions that provide high quality education while 1) maximizing the proper award of academic credit for military training and experience, and alternative testing, and 2) facilitating the transferability of credits, so service members can reach their educational goals and the goals of the Services.

Trident Technical College (TTC) is a member of the Servicemembers Opportunity College Degree Network System. By declaring a major in a program of study and completing six credits at TTC, all active duty personnel and their adult family members are eligible for a Servicemembers Opportunity College (SOC) Student Agreement. The Student Agreement is a "contract for degree" and shows the evaluation of completed and remaining program requirements. This agreement guarantees that you will receive a degree from TTC when you complete all requirements and remains in effect even if you leave the military.

To receive a Student Agreement, contact the Registrar's office at Main Campus in the Student Center, Building 410. You must complete a minimum of 25 percent of the curriculum in your program of study at TTC. Additionally, TTC offers eight programs through the Navy Distance Learning Program. If you transfer to other duty stations, refer to the SOC Handbook or work with a local Education Center to identify courses from other colleges that you can use to complete your degree at TTC.

Note: Review the course listing for class offerings prior to going to the Orientation Centers or the Registrar's office and complete a *Course Registration* form with requested courses.

#### Registration for Undecided Students

Counselors in Counseling and Career Services at Main Campus and the Student Success Centers at Palmer and Berkeley Campuses advise and register undecided students.

**For additional information, see [www.tridenttech.edu/start/registrar/index.htm](http://www.tridenttech.edu/start/registrar/index.htm).**

#### Registration – Helpful Tips

- **To complete an associate degree in two years,** you must register for at least 15 semester credit hours per semester. Some programs require more than 15 semester credit hours per semester.
- **The earlier you register, the better chance you have of getting the classes you want at the times you need.** Make an appointment with your academic advisor. Orientation Services assigns your academic advisor. Academic advisors' phone numbers are in *On Course*, and academic advisors' office hours are on their office doors. You also can check My Profile at [my.tridenttech.edu](http://my.tridenttech.edu)> TTC Express for Credit Students>Academic

Profile>My Profile for your academic advisor.

- Your academic advisor will assist you in scheduling your classes and checking for **prerequisites and corequisites**. You also can check the course descriptions in the TTC Catalog to find out what prerequisites or corequisites are required for a course.
- **If you do not meet corequisite or prerequisite requirements for a course, you cannot register for the course unless you receive approval from the appropriate academic department.** Only academic administrators can override and/or approve enrollment through course overrides in the College's computer system.
- **Check your schedule on TTC Express immediately after registering to confirm days, times, courses and campus locations.** Correct any errors immediately while the sections you have selected are still available.
- **Deadlines for paying tuition** also are in *On Course*. If you miss tuition and fee payment deadlines, TTC will remove all your classes. The College cancels courses if too few students enroll. If one of your courses is canceled, TTC will notify you in your student email account so you can add another section or course during the drop/add period.
- **Once you pay tuition and fees**, you must obtain a student identification card or update sticker from Student Activities.
- **If you register and then decide to change the times and/or days of a course, you must select a different section of the same course.** Course section numbers appear in the online registration system in the student portal at [my.tridenttech.edu](http://my.tridenttech.edu)>TTC Express for Credit Students>Registration.
- Check your schedule using TTC Express for changes or cancellations of classes.

### Prerequisites

A prerequisite is either a completed course or specified test scores needed to enroll in a specific course. TTC's computer system will automatically block your registration when a prerequisite course And/or placement test score is required for enrollment in the course if your TTC records

do not indicate that you have met the prerequisites.

If prerequisites are not included in your TTC record but you have evidence of meeting required prerequisites (transcripts, grade sheets, or qualifying test scores), you may contact the academic department head to request departmental approval to take the course. (See Registration - Helpful Tips)

### Auditing Courses

If you do not wish to receive a grade or college credit or take final exams, you may register as an audit student. You cannot change your status from audit to credit or from credit to audit after the drop/add period. If you are an audit student, you must pay full tuition for courses. You may audit an individual course only one time. Exceptions must be submitted for approval to the Assistant Vice President for Instruction. Some courses are ineligible to be audited. Contact the appropriate academic department head or dean for more information. You must get departmental approval to audit courses with prerequisite or corequisite courses or skill requirements if your TTC records do not show that you have met the prerequisites or other requirements. You may be asked to provide evidence of prerequisites or skill requirements such as transcripts, grade reports or test scores.

**You will not be eligible for FA/VA and Financial Aid and VA benefits will NOT pay for audit courses.**

### Credit by Examination

TTC offers students enrolled in credit courses the option to exempt some courses through Credit by Examination. However, because of articulation agreements or the nature of the course, some courses cannot be challenged. Each academic department, working within the framework of the overall College policy, has established procedures for Credit by Examination. If you are interested, contact the appropriate department head or dean for those procedures.

A nonrefundable fee is charged for administering each written examination. A student enrolled in a course may not take a Credit by Examination test for that course after the drop/add period or if a grade has

## STUDENT RECORDS

been earned, including a withdrawal. The only exception is the student who audits a course. A Credit by Examination test may be taken only once. To receive credit, you must earn a minimum grade of C. Credit hours awarded through Credit by Exam must not exceed 25 percent of your total curriculum hours. Credits earned through Credit by Examination are not included in your grade point average.

### Course Cancellations

You are entitled to a 100 percent refund of tuition for any courses you registered for that is canceled by the College. If you choose to add another course in place of the canceled course, follow the drop/add process and contact the Business office to determine any increase or decrease in tuition.

### Drop / Add

If you want to change your class schedule **BEFORE the end of the published drop/add period for the semester**, initiating the change is your responsibility. There are two ways to drop and/or add a class:

- Process the drop/add change to your class schedule in your TTC Express account on the my.tridenttech.edu student portal.
- Complete the paperwork to drop or add courses with the Registrar's office on Main Campus or the Admissions offices at any of the other campuses.

**Drop/Add dates and deadlines** are in the *Student Handbook* planning calendar, the current *College Catalog* and in the *On Course* schedule of courses. Courses may not be added or sections changed after the drop/add period.

**Refunds for canceled courses or dropped courses** during the College's published refund period are processed and mailed to you within three to four weeks after the drop/add period. You will forfeit a tuition refund unless you officially drop during the refund period as outlined in *On Course*.

If you decide to add or change a course, it is essential that you follow the drop/add procedures and deadlines.

**NOTE:** You will not be able to add a course once the course has already met and you cannot add an online course after 11:59 PM on the first day of the term. Failure to attend courses does not

constitute proper procedure for dropping or withdrawing from courses. The appropriate grade earned will be assigned if you do not officially drop/withdraw from your course.

**NOTE:** Any balance due on your account must be paid by the published payment deadline or the College will drop you from your courses.

## Withdrawal Policy

### Withdrawal from Courses

If you are unable to complete a course **AFTER the published drop/add period for the semester is past**, you can withdraw from the course.

The **last day to withdraw from a course** is published in the academic calendar and is published each semester in *On Course*. If a course is scheduled outside of published dates, the last day to withdraw will be the date at which the course is 75 percent complete.

There are two ways you can withdraw from a course:

- Withdraw in the my.tridenttech.edu student portal using TTC Express>Registration>Register, Drop and Withdraw Sections.
- Process the withdrawal in the Registrar's office on Main Campus or the Admissions office at any other TTC campuses.

**TTC prorates refunds** according to the College's refund policy during the established refund period.

**You will receive a grade of W** in courses when you withdraw after the drop/add period and before or on the last day to withdraw for the semester. This grade will not affect your GPA but may affect your financial aid eligibility for future semesters. If you are receiving federal student aid Title IV funds, you need to discuss course withdrawals and your financial aid status with a member of the Financial Aid staff **before** you withdraw.

**If you stop attending a course but do not officially withdraw from the course, you will receive the appropriate grade earned on your permanent academic record.** A decision not to attend a course does not constitute a withdrawal from the course. If you stop attending classes without officially withdrawing, you potentially risk harming your academic record with a failing grade.

The withdrawal policy for some academic programs is more restrictive and applies to students in those programs. In addition, your financial aid could be impacted and require you to repay financial aid you received.

**TTC students receiving financial aid should contact the Financial Aid/VA office before withdrawing from class.**

### **Veterans Withdrawal Policy**

TTC requires veteran students who withdraw from a course to obtain the last date of attendance from the instructor for inclusion on the withdrawal form before submitting the form to the Registrar's office for processing. VA students must submit a copy of the processed withdrawal form to the TTC Veterans Assistance office. Veteran students who withdraw from class(es) need to contact the TTC Veterans Assistance office to discuss your award status and the VA policy on withdrawals.

### **Late withdrawal Appeal**

If you miss the last day to withdraw from a class, you must contact the academic dean for your program of study to file an appeal for late withdrawal consideration. You may submit this appeal form no later than the end of the second semester after the semester when you received the grade you wish to change.

An appeal for late course withdrawal will be considered only for circumstances that made it impossible for you to withdraw by the published last date to withdraw.

You must submit the Appeal for Late Course Withdrawal in writing to your academic dean along with the required written justification and supporting documentation. The form is available online at [http://www.tridenttech.edu/Campus Life>Student Appeals and Complaints>Academic Appeals>Late Withdrawal Appeal](http://www.tridenttech.edu/CampusLife/StudentAppealsandComplaints/AcademicAppeals/LateWithdrawalAppeal).

### **Never Attended Policy**

The Registrar's office will remove you from class if your instructor reports you as never attended. For online courses, you must login to D2L for each online course you are taking, initiate communication with your instructor and actively engage in the course by completing an academic assignment for the instructor to be consider you as attending the class. For mixed-mode courses, you must attend the class lecture and/or log into each course in D2L and initiate contact with each instructor.

### Your Student Records

The Registrar's office is responsible for maintaining student records, including the registration process, student grades, grade point average calculations, academic honors, standards of progress for academic standing, transcript evaluation, student transcripts, graduation applications and conferral of degrees, diplomas and certificates.

You can view your student records online in your TTC Express account on the [my.tridenttech.edu](http://my.tridenttech.edu) student portal.

### Attendance Requirements

Before attending classes, you must meet all prerequisites and officially register for all courses. Prompt and regular attendance is your responsibility. You are responsible for all material covered and all assignments made in class. Any time you are absent from a class, laboratory or other scheduled class events, it is your responsibility to make satisfactory arrangements for any make-up work if permitted by the instructor.

An absence is defined as nonattendance for any reason, including illness, emergency or official leave. If you arrive late or leave before the instructor dismisses class, you may also be considered absent. All class sessions are important. Any time you miss a class, you risk earning a failing grade.

If you quit attending a course and do not officially withdraw by the withdrawal date for the course. You will receive the appropriate grade earned in the course. The instructor cannot assign a grade of W. If you receive financial aid or veterans' benefits, funds may be revised because of any changes in course schedule.

### Change of Student Information

The information you submitted on your original admission application remains up-to-date unless you notify the Registrar's office of any changes. Failure to report address changes causes delays in receiving important correspondence. To change any personal information or program of study, you must complete the appropriate forms in the Registrar's office.

You can update your address online in [my.tridenttech.edu](http://my.tridenttech.edu) using TTC Express>Academic Profile>My Profile.

### Change of Major

You may change your major at any time if you meet the academic qualifications for the program. If you decide to change your major, submit the request to the Registrar's office online through [my.tridenttech.edu](http://my.tridenttech.edu)>TTC Express>Academic Profile>Student Change of Major prior to registration. You must notify the Orientation Center of your new major and they will assign you a new academic advisor based on your new major. All changes submitted during the drop/add period will be effective that semester. Changes submitted after the drop/add period will be effective the next term/semester.

If you receive Veterans educational benefits and change your major, notify TTC's VA office informing them that you have submitted a request online to change your major.

### Dual Major

Students can declare up to two associate degree majors if you meet the admission requirements for the academic programs requested. Admission requirements for a dual major may require proof of high school graduation or GED and/or qualifying test scores on the SAT, ACT, or TTC placement test. No academic grade point average restrictions exist for current students requesting a dual major. Dual majors are permissible in more than one academic division when the student meets admission requirements for each academic program. There are no limits for declaring diploma or certificate majors.

**To declare a dual major**, you must add your additional major online prior to the end of Drop/Add. Student major updates submitted prior to or during drop/add week of the current term/semester are effective in the current term/semester. Student Major Updates submitted after Drop/Add period are effective for the next semester.

### Release of Student Records

#### TRANSCRIPTS

The Registrar's office issues student transcripts. The Family Educational Rights and Privacy Act of 1974 (FERPA), known as the Buckley Amendment, requires students to sign individual release forms for each company, school or individual that you request to receive your transcript.

Official transcripts can be issued by the College to outside agencies as indicated by the student on the Transcript Request form. Official transcripts issued to students are official unless opened. Please allow 3-5 working days for your request to be processed. Unofficial copies of transcripts can be obtained through TTC Express in the student portal.

#### ENROLLMENT VERIFICATION CERTIFICATES

To obtain your Enrollment Verification Certificate, log in to the [my.tridenttech.edu](http://my.tridenttech.edu) student portal and select TTC Express for Credit Students > Academic Profile > Online Transcripts/Enrollment Verification. You can request a certificate for your current enrollment or for your entire history with Trident Technical College. Current enrollment certificates are available after the end of Full Term Drop/Add.

Parents of post secondary level students have no inherent rights to view a student's education records according to federal FERPA regulations. Parents may receive student records information only under the following circumstances:

- By written consent of the student
- In compliance with a subpoena
- By parents submitting evidence that the student is declared as a dependent on their most recent Federal Income Tax form (IRS Code of 1954, Section 152).

Parents or guardians of dependent students may access dependent student records providing appropriate documentation to verify the dependent status of the student to the office of the Vice President for Student Services.

In accordance with FERPA, Trident Technical College may publish the following designated student directory information about individual students: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution

## STUDENT RECORDS

attended by the student. Students wishing to restrict publication of their student directory information must notify the Registrar's office in writing.

Procedures for protecting the FERPA rights of each student are available in the Registrar's office, the Vice President for Student Services office, and in TTC policies and procedures posted on the College's web site. Contact the Registrar's office or the Vice President for Student Services office with any questions concerning the Family Educational Rights and Privacy Act.

### Coursework Taken Elsewhere

**Cross-Registration:** As a degree-seeking student at TTC, you may cross-register during the fall or spring semesters at one of the following host institutions: Charleston Southern University, The Citadel, the College of Charleston or the Medical University of South Carolina. As a cross-registration student, you may register on a space-available basis at the host institution during their registration period. You must meet with your academic advisor to obtain the proper paperwork and the approval of your academic dean. Upon academic dean approval, you must take the Cross Registration form to the Registrar's office on Main Campus for final approval consideration.

**Transient Student:** As a degree-seeking student at TTC, you may be a transient student at another host institution that does not participate in cross-registration with TTC with the approval of your academic advisor and academic dean. To initiate the process, you must request permission to take coursework elsewhere from your academic advisor. Upon approval, your academic dean will send an email to the Registrar's office containing the following information:

- Your name
- Your student ID number
- The name of host institution
- The term of enrollment
- The course name; number of credits
- The course equivalency for transfer back to TTC

The Registrar's office will create a transient letter. You must specify whether you will pick up or request it to be mailed, faxed or emailed to the host institution.

The Registrar's office expects the academic dean to determine the course equivalency for transfer credit. If a transfer equivalency is not provided, the course will be reviewed for transfer eligibility after the Registrar's

office receives the official transcript from the host institution.

## Grading System

You may view your grades online in the student portal at [my.tridenttech.edu](http://my.tridenttech.edu) > TTC Express for Credit Students > Academic Profile > Grades. The Registrar's office is responsible for grade processing and releasing grades.

### Unit of Credit

The semester credit hour is the system of credit that TTC uses.

Grade Point Averages (GPAs) are not rounded.

### Calculating GPA

The words grade, point and average give you a clue as to how you calculate your GPA.

First, you have to determine your grade points, and then you take an average. Every letter grade has a numerical value assigned to it: A=4; B=3; C=2; D=1; F=0.

To find out your grade points for a class you have taken, multiply the numerical value of your letter grade by the credit hours assigned to the course. Example: you took English 101, which is three credit hours, and you earned a C in the course (Remember, C=2). Just multiply 2 (for the C) x 3 (credit hours). That is,  $2 \times 3 = 6$ . So, for this class, you have six grade points. Now calculate the grade points for each class using the example below:

Course	Credit Hours	Grade	Grade Valu	Grade Point
ENG-101	3	C	2	$3 \times 2 = 6$
CHM-110	4	A	4	$4 \times 4 = 16$
PSY-201	3	B	3	$3 \times 3 = 9$
Total Credits	10	Tot. Grade Points		31

Once you have calculated your grade points you can compute the average. To compute the grade point average:

1. Total your grade points by adding the grade points from each class:  $6 + 16 + 9 = 31$
2. Total the number of credits attempted:  $3 + 4 + 3 = 10$
3. Divide the total grade points by the total number of credits: 31 divided by 10 = 3.1

The grade point average, or GPA, in this case is 3.1.

Grade System Chart					
Numerical Scale	Letter Grade	Grade	Used in GPA Calculations	Earns Credit Hours	Grade Points Carried ----- Each Credit Hour
91-100	A	Excellent	Yes	Yes	4
81-90	B	Above Average	Yes	Yes	3
71-80	C	Average	Yes	Yes	2
65-70	D	Below Average	Yes	Yes	1
Below 65	F	Failure	Yes	No	0
	I	Incomplete*	No	No	0
	W	Withdrawn	No	No	0
	SC	Satisfactory Completion	No	Yes	0
	U	Unsatisfactory	No	No	0
	AU	Audit	No	No	0

*\*Defaults to F (or U, if applicable) automatically after midterm of the next semester, unless work is completed and grade is assigned by the instructor.*

## Repeated Courses

If you repeat a course to attain a higher grade point average, the original grade will remain on your academic record and your transcript. However, the highest grade obtained for that course calculates into your grade point average.

Students receiving VA benefits, see "Repeat Course Policy for VA Students and SC State Free Tuition Students" in the VA Assistance section of this handbook.

## Grade Changes

To request a change of grade in any course, contact the instructor who originally assigned the grade. You must request any grade change within two semesters after the semester your instructor assigned the grade.

## Incomplete Grades

If you receive an Incomplete grade, you must complete requirements to earn a grade by the midpoint of the next semester. You will receive a grade of (F) or (U) for an (I) that is not changed by the midterm date. Your instructor and the academic dean must submit requests for a change of grade other than Incomplete to the Registrar's office within one to two semesters following the semester when you earned the grade.

## Academic Honors

To obtain Dean's List status from the academic dean in your program of study, you must meet the following requirements:

- Declare a major;
- Take a minimum course load of 12 credit hours for the full-time dean's list or a minimum course load of six credit hours for the part-time Dean's List;
- Earn a current semester grade point average (GPA) of 3.50 or above;
- Receive no course grade lower than a C during the semester. A grade of D, F or I during the semester disqualifies you from the Dean's List. A designation of Audit (AU) or Satisfactory Completion (SC) does not affect inclusion on the Dean's List, as long as your remaining course load meets or exceeds the minimum hours required.

## Academic Standing

Students who are unable to achieve passing grades for a semester are subject to meeting the requirements of the College's academic standing which includes a warning and probation period followed by academic suspension for a semester when academic standards are not met:

### Academic good standing

Academic good standing occurs when your current term GPA is at least 2.0 or higher, and your last academic standing was not academic suspension.

### Academic warning

Academic warning occurs when your current semester GPA is below 2.00. If you are on warning, you will receive an email explaining the College's academic warning/academic standing policy and advising you that you will be placed on academic probation if your term GPA is below 2.00 for a second consecutive term.

### Academic probation

Academic probation occurs when your current semester GPA is below 2.00 and your last academic action was academic warning. If you are on probation, you will receive an email from TTC explaining the College's academic probation/academic standing policy and advising you that a second consecutive term GPA below 2.00 as well as a cumulative GPA below 2.00 will result in academic suspension.

### Academic suspension

An academic suspension for one semester occurs after any three consecutive semesters of enrollment in which your semester GPA is below 2.0, and first semester in which your cumulative GPA is below 2.0. Consecutive semesters of enrollment are any two semesters in which the student is enrolled even if there are semesters in between when the student is not enrolled.

After being on academic suspension for one semester, you must meet with a counselor in Counseling and Career Services. The College places students on academic suspension when their academic performance falls below the minimum standards set by the College (cumulative grade point average).

## STUDENT RECORDS

### Academic Suspension Appeals

Students may appeal their suspension by completing the online appeal in the [my.tridenttech.edu](http://my.tridenttech.edu) student portal and submitting printed documentation of the extenuating circumstances causing their poor performance. This explanation and documentation must not only describe the circumstance with appropriate documentation, but also the resolution for future enrollment.

Appropriate documentation includes:

- Physicians/hospital report detailing the duration and extent of serious health conditions.
- Police reports and associated documentation.
- Any other relevant documentation to substantiate the appeal.

The definition of an extenuating circumstance includes a situation involving a serious health condition of the student, death or serious health condition of an immediate family member, or a traumatic/extraordinary event. Immediate family includes the student or student's spouse as follows: parents/legal guardians, grandparents, brothers, sisters and children.

Relatives outside the definition of immediate family require additional documentation of a more immediate relationship. A serious health condition consists of an illness, injury, impairment or physical or mental condition that involves:

- Any period of incapacity or treatment related to inpatient care.
- Any period of incapacity requiring care by a health care provider resulting in five consecutive absences.
- Continuing treatment by a health care provider for a chronic or long-term condition that is incurable or so serious that, if not treated, would result in a period of incapacity.
- A traumatic/extraordinary event shall be defined as a sudden, uncontrollable event that adversely affects the student's academic performance, such as natural disaster, divorce, rape, religious mission, military duty and

You will receive a decision about your appeal in your student e-mail account of the TTC Appeal Committee's decision is final.

Not included in this definition are issues such as transportation, roommate problems, problems with faculty, difficult

### Academic Fresh Start

Academic Fresh Start is available to TTC Students on a one-time basis if you re-enroll at TTC after a period of three years and wish to expunge your previous academic record at TTC. To qualify, you must meet specific conditions. Details are available in the Registrar's office or on the TTC web site at [http://www.tridenttech.edu/academics/intro/ac\\_fresh.htm](http://www.tridenttech.edu/academics/intro/ac_fresh.htm) (Academic Fresh Start does not apply to financial aid.)

#### Conditions

- Academic Fresh Start is available only to a student upon re-entry (and after the Drop/Add period) to TTC. This does not affect work either taken at or transferred from another college.
- Academic Fresh Start is available only if a student has not previously been awarded a certificate, diploma or degree from TTC.
- At least three years must have lapsed between the end of the term in which the student was last in attendance and the term in which the student re-enrolls.
- The student must apply for Academic Fresh Start prior to his/her final term of enrollment at TTC.
- To be eligible for Academic Fresh Start, a student must have attempted at least 24 semester hours at TTC (36 quarter-hours), exclusive of withdrawals, and prior to re-enrollment. Additionally, the student's cumulative GPA for the work attempted prior to re-enrollment at TTC must have been less than 2.0.
- The student must meet all requirements for admission to the College and be enrolled in a program of study.
- Academic Fresh Start, if granted, applies only to the coursework taken prior to the term of re-enrollment. Academic Fresh Start does not affect the grades earned in the first term of re-enrollment.

## GRADUATION PROCESS

### Graduation Process

The College awards associate degrees, diplomas and certificates upon the successful completion of required course work as described in the TTC Catalog.

To graduate, you must have an overall grade point average of 2.0 or better for all courses required in your degree, diploma or certificate program. Some programs may permit the use of courses not listed in the current catalog as course substitutions for required courses or electives. The decision to permit the use of course substitutions is made by your academic dean. You must request course substitutions through your academic advisor.

If you have earned credit hours from other institutions or agencies, you may meet the qualifications for graduation by completing a minimum of 25 percent of the total hours required in courses in your program at TTC. Refer to College Admissions procedures for catalog applicability.

Review your program evaluations and academic advisor information using your TTC Express account in the my.tridenttech.edu student portal.

TTC may not issue diplomas for discontinued academic programs.

If you decide to re-enroll at TTC after graduating, you will need to declare a new major to continue your studies in a new program of study by submitting a Student Major Update online through TTC Express in the my.tridenttech.edu student portal.

### Home Program

The Home program is available for Associate in Arts and Associate in Science students who leave TTC before completing their degrees. Participants in the program can transfer selected, pre-approved credits back to TTC to complete their associate degrees. Other academic programs may be eligible upon approval from the academic dean. See your academic advisor for details about your eligibility.

### Applying for Graduation

The semester before you anticipate completing requirements for any associate degree, diploma, or certificate, you should apply for graduation. To receive your degree, diploma or certificate, use the Graduation Application available at the Registrar's office or submit the online Graduation Application in your TTC Express account in the my.tridenttech.edu student portal.

To be eligible to participate in the graduation ceremony, you must submit the Graduation Application by the ceremony participation deadline published in the spring semester calendar in the student portal.

#### **A separate graduation application is required for each program of study.**

If you do not complete all requirements for graduation by the end of the semester anticipated for graduation, you must reapply for graduation by submitting a new Graduation Application form. You must resolve all financial obligations to the College before the College will issue your diploma. The Registrar's office issues diplomas approximately four to six weeks after the end of the semester.

### Program Exit Exams

Associate degree programs may require graduation applicants to complete a non-punitive exit exam. If you are required to take an exam, the College will notify you by mail.

#### **Health Sciences/Nursing Progression Requirement**

If you are in a Health Science or Nursing program, you must achieve at least a 2.0 GPA each semester during the entire program. Health Science/Nursing graduates must submit their graduation application to the Registrar's office the semester before completion or by the published graduation ceremony deadline. Health Science/Nursing students must earn a 'C' or higher in all discipline coursework, clinical and labs and all pre- and co-requisite courses. Health Science and Nursing programs may have additional and more stringent requirements for student retention, promotion and graduation.

## TTC Graduation Ceremony

TTC conducts one graduation ceremony annually at the end of the spring semester. If you complete course requirements for your program of study at the end of the fall, spring or summer semester of the current academic year, you are eligible to participate in the ceremony.

If you completed all requirements for graduation prior to the current academic year, you are not eligible to participate in the graduation ceremony or have your name appear in the graduation program.

**If you plan to participate in the graduation ceremony, submit a graduation application and check the appropriate block on the Graduation Application form to indicate attendance. If you are completing multiple programs of study, indicate only one program for ceremony participation.**

A professional photographer takes individual photographs of each graduate during the ceremony. Graduates are under no obligation to purchase.

**Purchase a cap and gown from the TTC Bookstore by the established graduation ceremony deadline. This purchase confirms your participation in the ceremony and your seat assignment.**

Before purchasing your cap and gown:

- Obtain a Cap and Gown Order form at the Registrar's office on Main Campus.
- You must submit your Graduation Application before you can obtain a Cap and Gown Order form.

At the ceremony, graduates sit in academic program order for the announcement of name and degree and proceed across the stage one time. If you have applied for graduation by the designated ceremony participation deadline, your name will appear in the graduation program for all degrees you are earning in the current academic year; however, you must choose one program of study for participation in the ceremony and the announcement of

your name and degree.

During the ceremony, graduates receive a TTC diploma cover. The Registrar's office issues the actual diplomas approximately four to six weeks after the end of the semester you complete your program.

Additional information about the graduation ceremony is available annually on the TTC website at [http://www.tridenttech.edu/student/life/st\\_grad.htm](http://www.tridenttech.edu/student/life/st_grad.htm).

## Graduation Honors

Graduation honors are awarded based on the following criteria:

<u>Honors Level</u>	<u>Cumulative GPA*</u>
Summa Cum Laude	3.95 - 4.000
Magna Cum Laude	3.75 - 3.949
Cum Laude	3.60 - 3.749

Graduation honors at the official graduation ceremony recognize students who complete course requirements as of fall and spring semesters. Students completing course requirements during the summer semester will receive honors when the degree, diploma or certificate is awarded. TTC awards honor medallions at the graduation ceremony to recognize the outstanding academic achievement of students. To receive an honors medallion, you must participate in the graduation ceremony.

### *Fall and Spring Graduates*

The honor medallion level is based on your final semester **cumulative** grade point **average**. \* You must take a minimum of 30 credit hours of college level courses at TTC to be eligible for graduation honors, and your program of study must have a minimum requirement of 30 credit hours.

### *Summer Graduates*

If you complete your program of study in summer semester, an honor medallion is based on your most recent cumulative GPA. \* You must take a minimum of 30 credit hours of college level courses at TTC to be eligible for graduation honors.

\*Cumulative GPA is based on all work attempted at TTC. GPA is not rounded.

## TESTING SERVICES

### Testing Services

Testing Services provides a variety of testing options each semester:

- Placement testing in a computerized format for applicants to the College
- Make-up testing if an instructor allows you to take a missed test in a course
- Nursing entrance and exit tests
- Distance learning tests
- Credit by exam and non-TTC tests

For testing information, call the TTC Testing Services number listed in this handbook's TTC Directory.

Use of Testing Services by the student constitutes an agreement on the student's part to abide by the Testing Services rules as posted in each testing area. Testing staff carefully monitor all tests for academic misconduct and take appropriate actions in such situations as outlined in the Student Code found in this Student Handbook.

### Distance Learning Testing

Follow the testing procedures on this page if you enroll in a Distance Learning course (online and mixed-mode courses) and your instructor tells you to go to Testing Services for course testing.

### Make-up and Retests

With instructor approval, Testing Services administers makeup tests if you miss a test due to an emergency and retests if you fail a test. If your instructor allows makeup tests or retests in Testing Services, you must follow testing procedures. If your instructor tells you to go to Testing Services for a makeup or retest, follow the Testing Procedures below.

### Testing Procedures

Follow these procedures:

## Credit by Examination

TTC offers students enrolled in credit courses the option to exempt some courses through Credit by Examination. However, because of articulation agreements or the nature of the course, some courses cannot be challenged. Each academic department, working within the framework of the overall College policy, has established procedures for Credit by Examination. If you are interested, contact the appropriate department head or dean for those procedures. Service fees are charged for administering each examination.

## TTC Advanced Standing Limitations for Credit by Examination

Advanced Standing through credit by examination is subject to the following limitations:

- The College grants up to 16 semester credit hours (but no more than one-fourth of the total curriculum hours required for program completion) providing the minimum required score is attained on approved exams.
- Students must verify that official test score reports are on file in the Registrar's office prior to the start of the semester in which they seek advanced standing.
- Students may retest three months after the original test date for a CLEP exam or a DANTES DSSTs exam if they did not achieve the minimum required score.
- TTC will not grant credit for a course previously attempted (including withdrawals after the drop-add period).
- Advanced Standing credits will not affect a student's grade point average.
- TTC does not guarantee that Advanced Standing credit awarded for required TTC courses will transfer to other institutions.

## CLEP and DANTES DSSTs

If TTC telephone lines are out of service, please call Public Safety at 843.572.1642. If Public Safety cannot be reached, report crimes on campus to local police who will relay the information by radio to Public Safety. Also, report crimes related to College activities occurring off campus to local police and Public Safety immediately. Reports made to Public Safety are used for making timely warnings and preparing the annual disclosure of campus crime statistics.

When calling Public Safety, please make sure you provide as much information as possible:

- Your name
- Your exact location and the exact location of the incident
- The phone number from where you are calling
- Description of injuries, if any, and need for medical assistance
- Immediate details of the incident (where it occurred, how long ago)
- Information about the suspect (name, physical description, clothing description, direction of flight, description of vehicle, etc.)

#### Motorist Assistance

For assistance with dead batteries, keys locked inside vehicles and flat tires, call the Public Safety office. You are required to sign a release before officers can provide assistance. For other mechanical problems, the Public Safety office will help you locate an appropriate service agency.

#### Emergency Alert System

Upon the confirmation of a significant emergency or dangerous situation occurring on campus and involving an immediate threat to the health or safety of the campus community, TTC's Emergency Alert System (EAS) will be activated (unless issuing a notification will compromise efforts to contain the emergency).

The Emergency Alert System (EAS) includes the following notification components:

1. EAS Mobile: Text and/or voice messages sent to a student's mobile device/cell phone. Voice messages can also be sent to designated landline telephones. (Students, faculty and staff must opt in to receive

messages. Visit [www.tridenttech.edu/eas.htm](http://www.tridenttech.edu/eas.htm) to subscribe.)

2. EAS Email: Alerts sent to email accounts. (Students must opt in to receive emails.) Visit [http://www.tridenttech.edu/about/departments/safety/ttc\\_eas.htm](http://www.tridenttech.edu/about/departments/safety/ttc_eas.htm) for information to subscribe.
3. EAS Campus: Audible and/or text alerts sent to campus telephones located in classrooms, hallways and offices.
4. EAS Web: Alerts posted on TTC's website ([www.tridenttech.edu](http://www.tridenttech.edu)) and TTC's Facebook page.
5. EAS InfoLine: Recorded message alerts accessed by calling 843.574.6262, ext. 9091. A toll-free InfoLine, 877.869.7736, is activated when conditions warrant.

### Emergency Evacuation and Drills

In accordance with TTC Procedure 12-1-1, Public Safety conducts unannounced fire drills each semester and performs tests of the Emergency Alert System (EAS Campus and EAS Mobile/Email) at least once annually. Upon activation of a fire alarm, activation of the EAS or at the direction of Public Safety, all occupants within affected building(s) are required to quickly and quietly evacuate. You should take your purse, book bag and any

other personal belongings without delay when evacuating, in case return to the building is not possible. You are to assemble at least 150 feet from buildings and are not to reenter buildings unless instructed by Public Safety or other College officials.

### Emergency or Unscheduled Closures

In accordance with TTC Procedure 5-0-5, if classes must be canceled due to an emergency, inclement weather or other unscheduled closure of the College, students will be notified through TTC's Emergency Alert System (EAS). Announcements through local media (radio, television and newspaper) will be made through EAS Media. Information will be posted on TTC's website ([www.tridenttech.edu](http://www.tridenttech.edu)). In addition, you may call the EAS InfoLine to hear recorded message alerts and to obtain additional information on the current operating status of the College. The EAS InfoLine can be accessed by calling 843.574.6262, ext. 9091. Also, a toll-free InfoLine, 877.869.7736, is activated when conditions warrant.

### Environmental Health and Safety Emergencies

Public Safety staff includes an Environmental Health and Safety manager who can respond to and mitigate environmental and safety hazards. If you observe the following emergencies, please contact Public Safety immediately at 843.574.6911 (6911 on campus):

- Chemical spills
- Biohazard/blood spills
- Spills of unknown origin
- Illegal dumping into storm drains
- Unknown odors
- Natural gas odors
- Safety hazards in classrooms, labs, offices or elsewhere on campus

### Disruption of Academic Process

Any disturbance that may hinder the educational programs provided by TTC is in violation of South Carolina law (Statute 16-17-420).

### Lost and Found

If you find any items that have been misplaced or forgotten, bring them to the Public Safety office. If you have lost any books or personal belongings, check with Public Safety to see if they have been found. Items will be held for 90 days.

### Personal Attitudes and Behavior

You are expected to behave in ways that do not infringe upon the rights of others. This includes showing responsibility and respect regarding eating, electronic devices and dress. TTC students and visitors are expected to dress in a manner appropriate to the academic and business functions in which the TTC community is engaged. It is a violation of the student code of conduct to do otherwise, and you are expected to adhere to the TTC Creed

and guidelines for campus behavior.

### Alcohol and Drugs

The sale, possession or consumption of controlled substances is specifically prohibited. For details read the Student Code in the College's Student Handbook. Violators are subject to arrest and College disciplinary action.

### Classroom Policies

To minimize classroom disruptions and protect the integrity of test-taking situations, activated electronic communications devices such as pagers and telephones generally are not permitted in TTC classrooms. The only exception to this policy will be for on-call emergency personnel (police, fire, EMS) who are required to notify their classroom instructor of their need for such devices at the beginning of the semester and provide documentation verifying their occupation. However, on-call emergency personnel may not leave a testing situation, communicate by electronic means and return to complete an examination. In these cases, instructors should arrange for retesting. Smart phones, laptops and tablet technology may be used in the classroom for instructional purposes as allowed by the instructor. Eating in classrooms and labs is not permitted. Students may bring drinks into classrooms (not labs) as long as they are in containers with secure lids, such as screw tops or stopper tops.

### Smoking

TTC promotes a safe, healthy environment on all its campuses and sites. TTC prohibits the use of tobacco by students, staff, faculty and visitors except at designated areas. Tobacco is defined as any type of tobacco product including, but not limited to: cigarettes, cigars, cigarillos, pipes, hookahs, smokeless or spit tobacco or snuff.

### Restricted Areas

Smoking is prohibited at the entrances to and inside all College buildings. Smokers are expected to smoke in designated areas and discard cigarettes in ash urns provided at each building on campus.

### College/State Vehicles

Smoking is prohibited in college state vehicles.

### Monitoring No-Smoking Regulations

Public Safety will advise individuals who are not in compliance with the College's no-smoking procedure of the outdoor smoking areas.

Any disruptions related to the smoking regulations should be reported immediately to Public Safety. If student disruptions warrant further investigation, Public Safety will report these disruptions to the vice president for Student Services for possible disciplinary action.

In addition, South Carolina's Clean Indoor Air Act of 1990 cites violation of the act as a misdemeanor that, upon conviction, results in a fine of not less than \$10 nor more than \$25 (plus court costs). The issuance of a citation is at the discretion of the Public Safety office.

### **Firearms Prohibited**

In an effort to ensure a safe and secure environment for all members of the campus community, firearms are not allowed in any building, premises or property owned, operated or controlled by TTC except where allowed by law for law enforcement or military purposes. Under state law, a person may transport firearms in his/her vehicle only if secured in a closed glove compartment, closed console or closed trunk. The College prohibits the removal of these firearms from the vehicle and the carrying of such firearms into any building or area adjacent thereto such as a parking lot on campus. This includes persons holding concealed weapon permits under the Law Abiding Citizens Self Defense Act of 1996. This applies to any firearm or replica of a firearm in an assembled or unassembled condition. Anyone who violates this policy is in violation of Section 16-23-420 of the S.C. Code of Laws as amended and is subject to arrest and criminal prosecution with a minimum penalty of a \$5,000 fine or five years imprisonment or both.

### **Motor Vehicle Registration and Traffic Regulations**

You are required to obey all South Carolina traffic and seat belt laws while operating a vehicle on campus. The speed limit on all campuses is 15 miles per hour. Parking violations can result in the issuance of a parking citation. S.C. Uniform Traffic citations also may be issued for traffic and vehicle violations. All traffic accidents should be reported to Public Safety immediately.

### **Parking Decals for Persons with Disabilities**

To legally park in a TTC disabled parking space, a vehicle must properly display a

S.C. disabled parking placard and must be used in the transport of the permit holder. Faculty, staff and students with temporary disabilities, requiring the use of a TTC disabled parking space, should contact Services for Students with Disabilities through Counseling and Career Development Services at Main Campus or the Student Success Centers at Berkeley and Palmer campuses. For Mount Pleasant Campus, call 843.574.6131 for an appointment. A temporary TTC decal allowing temporary disabled parking privileges on TTC campuses may be obtained with proper documentation. When specific spaces for disabled parking are all occupied, parking in the nearest available space is authorized to include faculty/staff parking.

### **Children**

To meet its mission of providing quality education, it is essential that the College maintain an environment that is conducive to student learning and employee productivity. For this reason, children should not be left unattended on campus. Unattended children should be reported to Public Safety immediately. As prescribed in the Student Handbook, students should not bring children to class or leave them unattended on campus. Students whose children are with them or who are left unattended on campus should not be admitted to class. Children cannot be taken to Testing Services while a parent/guardian takes a test. They cannot be taken to The Learning Center while a parent/guardian has a tutoring session or uses the center's media. Children may not be taken into any TTC library while the parent/guardian is studying or using library resources.

### **Animals**

Animals are not allowed on the premises or property of TTC except for animals trained to assist the disabled, police dogs or police horses, or animals used for educational purposes in academic programs. The feeding of animals (feral, domestic or wildlife) on campus is prohibited with the exception of those animals treated by the Veterinary Technology program or animals trained to assist persons with disabilities.

### **Preventing or Reporting Sexual Assaults**

Sexual assault is strictly prohibited by the College. The College's Sexual Assault Policy complies with S.C. Code Ann. § 59-105-10 et seq. (Supp. 2002), commonly known as the South Carolina Campus Sexual Assault Information Act. "Sexual assault" is defined as rape or any actual or attempted

nonconsensual or forcible sexual touching, including fondling, kissing, groping, attempted intercourse (whether oral, anal or vaginal), penetration or attempted penetration with a digit or any other object. Nonconsensual sexual assault includes those situations in which the victim is unable to consent. "Rape" is defined as vaginal, anal or oral intercourse without consent, whether the victim is overcome by force, fear, intimidation resulting from threat of force, or by drugs administered without consent, or when the victim is otherwise unable to consent. Consent requires speech or conduct indicating a freely given agreement to have intercourse or participate in sexual activities. Previous sexual relationships, current relationships with the perpetrator or the use of alcohol and/or drugs may not be taken as an indication of consent. Use of alcohol and/or drugs by the perpetrator is not an excuse for violation of the sexual assault policy.

The term "unable to consent" means:

- unable to understand the circumstances and implications of the sexual advances;
- unable to make a reasoned decision concerning the sexual advances; or
- unable to communicate that decision in an unambiguous manner. Such a situation can result from illness, the influence of alcohol or some other substance, physical or psychological disabilities, unconsciousness or some other cause.

The College will impose sanctions on individuals who commit sexual assault. In cases involving a student, an interim (immediate) suspension may be imposed, which means the accused cannot attend classes or be on campus until an administrative hearing is held (within 10 days). In other cases, the accused may be permitted to attend classes pending a final decision from the vice president for Student Services. If that recommendation is suspension (from the College) or expulsion (from the College), a hearing will also be held. Among the other disciplinary sanctions that may be imposed are the following:

- admonition, censure, probation and the restriction of privileges.

Harassment is a pattern of intentional, substantial and unreasonable intrusion into the private life of a targeted person that causes the person (and would cause a reasonable person) to suffer mental distress. Stalking is a pattern of words or conduct that is intended to and that does cause a targeted person (and would cause a

reasonable person) to fear death, assault, criminal sexual contact, kidnapping (either the targeted person or a member of his/her family), or damage to his/ her property or a family member's property.

The TTC Public Safety department takes all complaints of harassment and stalking seriously and actively assists students, faculty and staff in dealing with matters of this type through civil and criminal means. The College's Sexual Harassment Policy and Procedure can be found on page 63.

### **Sexual Assault Prevention**

1. Use the campus escort and transit services.
2. Be aware of the emergency telephones and their locations.
3. Avoid being in classrooms or office buildings alone at night. If you must be there, let the campus police know where you are and how long you will be there. Stay near a telephone.
4. Report any suspicious person or activity to the Public Safety department, whatever the time, day or night.
5. Know who is at your door before opening it.
6. Vary your routine. Do not walk the same route night after night.
7. When walking at night, be alert. Listen for footsteps and voices to be sure no one is following you.
8. Avoid unlit areas. Whenever possible, walk and park in well-lit public areas.
9. Always lock the doors in your car, room, apartment or house. Keep the car doors locked even when you are driving.
10. Never pick up hitchhikers.
11. When driving, always make sure you have enough gas to reach your destination.
12. When walking to your car at night, have your car keys in your hand before leaving the building.
13. When walking from your car to your residence, have your door key in hand before you leave your car. If you are being dropped off, ask the driver of the car to wait until you are safely in your residence.
14. Take advantage of the rape awareness and rape defense training offered by the College and community groups.
15. If you drink alcoholic beverages, drink responsibly.

### **Public Safety Department Programs**

The Public Safety Department offers educational and personal safety programs for students, faculty and staff. Among these programs is the women's Rape Aggression Defense (R.A.D.) course, which is offered free of

charge several times each year.

Course offerings are announced on Public Safety's website and through the College's official email system.

### **Crime Prevention**

The College actively promotes campus security by providing services to prevent criminal activities, enhance personal safety and protect property.

### **Escorts to Your Vehicle**

College Public Safety officers are available to escort faculty, staff, students and visitors to their vehicles and as otherwise requested. To request an escort, contact the Public Safety department at 843.574.6053. Please realize that other priorities may prevent an officer from escorting you at a specified time.

### **S.C. Sex Offenders Registry**

Information on all registered adult sex offenders (age 17 and older) is available on the S.C. Sex Offenders Registry website. Information is also available on registered sex offenders (ages 12-16) who have committed the following offenses: criminal sexual conduct in the first degree; criminal sexual conduct in the second degree; criminal sexual conduct with minors, first degree; criminal sexual conduct with minors, second degree; engaging a child for sexual performance; producing, directing or promoting sexual performance by a child; or kidnapping.

An evaluation must be made on any other requests for information on registered offenders under age 17 who are victims of or witnesses to an offense at public or private schools, child day care centers, family day care centers, or businesses and organizations that primarily serve children, women or vulnerable adults. Evaluations are also required on information requests for offenders who are age 11 or younger who may have a prior conviction or adjudication of delinquency.

Those who request the information must complete and submit a written request form at SLED or at a sheriff's office. A copy of the request form is available online, and it may be mailed or faxed to Sex Offenders Registry, SLED, P.O. Box 21398, Columbia, SC 29221. The fax number is 803.896.7022.

### **If you are sexually assaulted:**

- Memorize as much detail as possible about the attacker.
- On campus, call the College's Public Safety department at 843.574.6053 immediately. Off campus, call local emergency medical service

immediately by dialing 911 or its local number. This does not obligate you to file charges or testify in court.

- If you prefer not to call the police, but you want to make it known that a rape occurred, you may contact the vice president for Student Services or any member of the Counseling and Career Development Department.
- Do not bathe, shower, douche or urinate.
- Do not change clothes, if it can be avoided. If changing clothes is necessary, secure your changed clothes inside a paper bag, not plastic.
- Do not eat, drink, smoke, rinse your mouth or brush your teeth. These actions may destroy evidence.
- Do not disturb the crime scene(s).
- You may call and request medical transportation without divulging that you have been raped. Even if you choose not to become involved with the police, you should seek medical assistance.
- You are strongly encouraged to go through the rape protocol exam for medical attention and for the purpose of preserving important physical evidence of the assault. The rape protocol exam should be done as soon as possible. Physical evidence can be obtained up to 72 hours after the assault. However, as time passes, the quality of the evidence diminishes.
- Contact a friend or family member to be with you.

### **What Happens When a Rape Is Reported to the Public Safety Department?**

When you notify Trident Technical College Public Safety officers of a rape, the following will occur:

- Public Safety will respond to your location on campus, ensure that you are safe and provide you with emergency medical assistance.
- Public Safety will ask you questions about the assault (location and time of the assault, a description of the accused, etc.). If you request to speak to a male or female officer, Public Safety will make every reasonable effort to accommodate your request, to include contacting another law enforcement agency having concurrent jurisdiction. Local law enforcement may become involved depending on the circumstances surrounding the incident. A family member, friend or counselor may be with you during the interview.
- Public Safety will protect the crime scene, contact local law enforcement as may become necessary and assist in the

## PUBLIC SAFETY SERVICES

- collection and preservation of evidence.
- Public Safety will make contact with and escort you to an appropriate medical facility.
- Public Safety and TTC's Counseling Services will contact other assistance agencies (People Against Rape, Solicitor's Office Victims/Witness Program, etc.) on your behalf. The Victims/Witness coordinator from the Solicitor's Office will help you file any documents related to the S.C. Victim's Compensation Fund.
- Public Safety will treat you and your case with sensitivity, understanding and professionalism regardless of your gender or the gender of the accused. Public Safety officers will not prejudice you or blame you for what occurred.
- Public Safety will NOT release your name to the public or the press.
- Public Safety will continue to be available to you, answer your questions and explain the system and processes involved (solicitor, courts, etc.).
- Public Safety will professionally investigate your case, which may lead to the arrest and prosecution of the accused. You will be kept up-to-date on the progress of the investigation and/or prosecution.

### What Happens When a Rape Is Reported to the Vice President for Student Services?

- Upon learning of a rape, the vice president for Student Services (or designee) will contact you to offer the services of several Student Services departments. Any information you provide will be kept in the strictest of confidence.
- In the event you want the College to pursue disciplinary action, you will be asked to provide a written report of the incident. That information will be forwarded to the vice president for Student Services, who will start College disciplinary processes. You will be invited, but not required, to meet with the Vice President for Student Services to discuss the College's disciplinary procedures further. Please remember that information regarding student discipline is maintained as a confidential record.
- When the Vice President for Student Services has reviewed available information, sanctions may be imposed. If

- the Vice President for Student Services recommends a temporary suspension, suspension (from the College), or expulsion (from the College), an administrative hearing may be scheduled.
- You will have the option to attend the administrative hearing and provide testimony regarding the attack. The vice president for Student Services will attempt to make special accommodations for testifying if you are not able to face the accused. You will be listened to and treated with respect. You may have a friend, counselor or support person present during the hearing. All hearings are closed to the public and are confidential.

When you report a rape to the vice president for Student Services, he/she is required by law to inform the Trident Technical College Public Safety department. However, reporting this crime to the TTC Public Safety department in no way obligates you to press charges or testify in court. Even if you do not want to press charges, we strongly encourage you to contact the police for immediate help. You may discontinue the involvement of vice president for Student Services and any other police or legal services at any point.

### Victim's Rights

- The alleged victim has the right to be informed of the process prior to any disciplinary action involving the incident and has the option of discontinuing the process if he or she is the only witness.
- The alleged victim has the right to attend the hearing that involves the accused student. The alleged victim has the option of providing testimony regarding the incident. The vice president for Student Services will attempt to make special accommodations for testifying if you are not able to face the accused.
- The alleged victim is entitled to bring an adviser, friend, counselor or parent during testimony at the hearing. All hearings are closed to the public and are confidential.
- The alleged victim shall be informed of the outcome of the disciplinary hearing. In the event the accused student appeals the decision, the vice president for Student Services will keep the victim informed of the status of those appeals.
- The alleged victim may request changes in

his/her academic situation. The College will accommodate such changes if reasonably possible.

### **Rights of the Referred Student**

The College's Rules for Student Disciplinary Procedure and Sanctions can be found in the Student Code and Academic Issues section of the TTC Student Handbook or on the College's website at Disciplinary Process.

### **How the College Can Help**

- The College's Counseling office will offer emotional support and refer you to community resources for victims of sexual assault.
- The College will also change your academic situation if changes are requested and reasonably available.

## South Carolina Technical College System

### 3.2.106.1 Student Rights and Responsibilities

#### I. Purpose

The Student Code for South Carolina Technical College System sets forth the rights and responsibilities of the individual student, identifies behaviors that are not consistent with the values of college communities, and describes the procedures that will be followed to adjudicate cases of alleged misconduct, except cases of alleged acts of sexual violence and sexual harassment. Cases of alleged acts of sexual violence and sexual harassment will be adjudicated through SBTCE procedure 3-2-106.2 or SBTCE procedure 8-5-101.1. This Code applies to behavior on college property, at college-sponsored activities and events, and to off-campus behavior that adversely affects the college and/or the college community. The Code applies to all students from the time of applying for admission through the awarding of a degree, diploma, or certificate.

#### II. Principles

Technical/community college students are members of both the community at large and the academic community. As members of the academic community, students are subject to the obligations that accrue to them by virtue of this membership.

As members of a larger community, students are entitled to all rights and protections accorded them by the laws of that community, the enforcement of which is the responsibility of duly constituted authorities. If a student's alleged behavior simultaneously violates college regulations and the law, the college may take disciplinary action independent of that taken by legal authorities. When it has been determined that a student violated a federal, state, or local law, college disciplinary action may be initiated only when the presence of the student on campus will disrupt the educational process of the college. When a student's alleged violation of the law, whether occurring on campus or off campus, might adversely affect the college's pursuit of its educational objectives or activities, the college may enforce its own regulations through this Student Code.

#### III. Solutions of Problems

The college will first seek to solve problems through internal review procedures. When necessary, off-campus law enforcement and judicial authorities may be involved.

In situations where South Carolina Technical/Community Colleges have shared programs, the Chief Student Services Officer where the alleged violation of the Student Code for the South Carolina Technical College

System occurred will handle the charges. A change of venue to the other college may be granted, based on the nature of the offense, provided it is agreed to by the Chief Student Services Officers of both colleges. Any sanctions imposed will apply across both colleges.

In situations where a student is dually enrolled in two or more South Carolina Technical/Community Colleges and is charged with a violation of the Student Code for the South Carolina Technical College System, the Chief Student Services Officer of the college where the alleged infraction occurred will handle the charges and the sanctions may apply at each college in which the student is enrolled.

Separate record files may be maintained for the following categories: (1) academic, (2) medical, psychiatric and counseling, (3) placement, (4) financial aid, (5) disciplinary, (6) financial and (7) veteran's affairs. In addition, disciplinary records are maintained by the Chief Student Services Officer.

Student education records will be maintained and administered in accordance with the Family Educational Rights and Privacy Act of 1974, the guidelines for the implementation of this act, and other applicable federal and state statutes and regulations.

I. Right to Due Process--At a minimum, any student charged with misconduct under this code is guaranteed the following: 1) the right to receive adequate notice of the charge(s), 2) the right to see and/or hear information and evidence relating to the charge(s), and 3) the right to present information and evidence relating to the charge(s). Additional due process requirements will be identified in other sections of this Code.

### **II. Student Responsibilities**

A. Students are expected to conduct themselves in a manner that is civil, that is respectful of the rights of others, and that is compatible with the college's educational mission.

B. Students are expected to comply with all of the college's duly established rules and regulations regarding student behavior while on campus, while participating in off campus college sponsored activities, and while participating in off-campus clinical, field, internship, or in-service experiences.

C. Students are expected to comply with all course requirements as specified by instructors in course syllabi and to meet the standards of acceptable classroom behavior set by instructors. Instructors will announce

these standards during the first week of classes. If a student's behavior disrupts class or jeopardizes the health, safety, or well-being of the student or others, the instructor will speak with the student regarding the disruption. If the unacceptable conduct or disruption continues, the instructor may dismiss the student for the remainder of the class period.

Further disruption(s) by the student may result in a second dismissal and a written referral to the Chief Student Services Officer. This written referral may result in the initiation of disciplinary action against the student.

### **III. Student Conduct Regulations**

The following list identifies violations for which students may be subject to disciplinary action. The list is not all-inclusive, but it reflects the categories of inappropriate behavior and provides examples of prohibited behaviors.

No student acting alone or with others, shall obstruct or disrupt any teaching, administrative disciplinary , public service, research , or other activity authorized or conducted on the campus of the college or any other location where such activity is conducted or sponsored by the college. This disruption does not necessarily have to involve violence or force for the student to face disciplinary actions. In addition to administrative action, any person in violation of any federal, state, or local law will be turned over to the appropriate authorities.

#### **C. Falsification of Information and other Acts Intended to Deceive**

Falsification of information and other acts intended to deceive include, but are not limited to the following:

2. Sexually harassing another person. In addition to sexual violence, sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal , or physical conduct of a sexual nature, when submission to such conduct is made a term or condition of a student's

education, a basis for academic conditions affecting the student, or the conduct is sufficiently serious to interfere with the student's academic performance or otherwise deny or limit the student's ability to participate in any aspect of the college's program, thereby creating an intimidating or hostile learning environment. Cases of alleged acts of sexual harassment will be adjudicated through SBTCE procedure 3-2-106.2 or SBTCE procedure 8-5-101.1.

3. Stalking, which is defined as engaging in a course of conduct, through physical, electronic, or other means, that would place a reasonable person in fear for his/her safety, or that has, in fact, placed an individual in such fear. 5. Engaging in any activity that disrupts the educational process of the college, interferes with the rights of others, or adversely interferes with other normal functions and services.

#### **F. Other Acts which Call for Discipline**

Because due process is essential in dealing with infractions of college regulations, any disciplinary actions taken and sanctions imposed on a student or student organization will follow the provisions of this code.

##### **A. Interim Suspension**

In certain situations, the President, or President's designee, may temporarily suspend a student before the initiation of disciplinary procedures. Interim suspension may only be imposed when there is reason to believe that the continued presence of the accused student at the college poses a substantial and immediate threat to the student or to others or poses a serious threat of disruption of, or interference with, the normal operations of the college.

The interim suspension process follows:

1. The President, or President's designee, shall notify the Chief Student Services Officer in writing about the nature of the alleged infraction, a brief description of the incident(s) and the student's name before 5:00 pm of the first class day following the decision to impose the interim suspension.
2. The Chief Student Services Officer, or designee, will inform the student, in writing, about the decision to impose an interim suspension. This notice must either be hand delivered to the student, sent by e-mail, or sent by certified mail to the student's address of record within two (2) instructional weekdays of receiving the information from the President, or designee. If sent by e-mail, a letter sent by certified mail to the student's last known address must still be mailed within two (2) instructional weekdays of receiving the information from the President, or designee.

This letter must include the following information:

- a) the reason(s) for the interim suspension;

##### **B. Academic Misconduct**

1. An instructor who has reason to believe that a student enrolled in his/her class has committed an act of academic misconduct must discuss the matter with the student. The instructor must advise the student of the alleged act of academic misconduct and the information upon which it is based. The student must be given an opportunity to refute the allegation. If the student chooses not to participate in the discussion, the instructor will make a decision based upon the available information.
2. If the instructor, after meeting with the student, determines that the student has engaged in academic misconduct as alleged, the instructor will inform the student about the decision and the

academic sanction that will be imposed. The instructor may impose one of the following academic sanctions:

The Chief Academic Officer, or designee, will send a letter to the student summarizing the incident, the finding, the terms of the imposed sanction, and informing the student that he/she may appeal the decision and/or the sanction by submitting a written request to the Chief Academic Officer within seven (7) instructional weekdays of the date of the Chief Academic Officer's letter.
  5. If the student requests an appeal, the Chief Academic Officer, or designee, will send a certified letter to the student's address of record. This letter must contain the following information: a restatement of the charge(s);
    - a) the time, place, and location of the appeal;
    - b) a list of witnesses that may be called; and
    - c) a list of the student's basic procedural rights. These rights follow:
      - 1) The right to consult with counsel. The role of the person acting as counsel is solely to advise the student. Counsel may not participate in any of the questioning or make any statements on behalf of the student. The student will be responsible for paying any fees charged by his/her counsel.
      - 2) The right to present witnesses on one's behalf.
      - 3) The right to present evidence and notice that the Chief Academic Officer, or designee, may determine what evidence is admissible.

    - d) A statement informing the student that the sanction imposed by the instructor will be held in abeyance pending the outcome of the appeal.
  6. On the basis of the information presented at the appeal, the Chief Academic Officer, or designee, will render one of the following decisions:
    - a) Accept the decision and the sanction imposed by the instructor.
    - b) Accept the instructor's decision but impose a less severe sanction.
    - c) Overturn the instructor's decision.

Within two (2) instructional weekdays of the meeting with the student, the Chief Academic Officer, or designee, will send the student a letter informing the student of the decision. The letter must also inform the student that the decision may be appealed to the College's President and that any appeal request must be written and must detail the reason(s) for the appeal. The student seeking the appeal must provide reasons for the appeal which sets forth a statement that specifies the issues that further review is sought and any evidence which supports the issue(s) on appeal. The written appeal must be sent to the President within five (5) instructional weekdays of the receipt of the Chief Academic Officer's decision.

After receiving the student's request, the President will review all written materials, nonwritten materials, and evidence relating to this incident and render one of the following decisions:

- a) Accept the decision and the sanction imposed
- b) Accept the decision, but impose a less severe sanction
- c) Overturn the decision
- d) Remand the case to the Student Hearing Committee to be re-heard.

The President's decision is final and cannot be appealed further.

A charge, that includes a description of the alleged violation, must be submitted in writing to the Chief Student Services Officer as soon as possible after the incident occurs, but no later than ten (10) instructional weekdays after the incident, unless the person filing the charge demonstrates that exceptional circumstances prevented

filing the charge within this time period. The Chief Student Services Officer, or designee, will determine whether the circumstances merit an extension of the deadline.

### **1. Preliminary Investigation**

Within five (5) instructional weekdays after the charge has been filed, the Chief Student Services Officer, or designee, shall complete a preliminary investigation of the charge and schedule a meeting with the student. After discussing the alleged infraction with the student and reviewing available information, the Chief Student Services Officer, or designee will decide whether the information presented during the meeting indicates that the violation occurred as alleged. When the student cannot be reached to schedule an appointment, or when the student fails to attend the meeting, the Chief Student Services Officer, or designee, will base the decision upon the available information.

This letter must also state that if the student disagrees with the decision or the sanction, the student may request a hearing before the Hearing Committee, that the student must submit this request no later than two (2) instructional weekdays after receiving the decision letter unless a request is made and approved by the Chief Student Services Officer, or designee, for an extension, and that any decision made and sanction imposed after the preliminary investigation may be held in abeyance should the student decide to go before the Hearing Committee.

## **3.2.106.2 Alleged Acts of Sexual Violence and Sexual Harassment**

### **I. Procedural Overview**

*The South Carolina Technical College System does not discriminate on the basis of race, color, gender, national or ethnic origin, age, religion, disability, marital status, veteran status, sexual orientation, gender identity, or pregnancy in educational programs and activities as required by Title IX. Any questions regarding Title IX may be referred to the college's Title IX Coordinator or to the Office of Civil Rights.*

The Student Code for the South Carolina Technical College System sets forth the rights and responsibilities of the individual student, identifies behaviors that are not consistent with the values of college communities, and describes the procedures that will be followed to adjudicate cases of alleged misconduct. This Code applies to behavior or complaints alleging acts of sexual violence or sexual harassment on college property, at college-sponsored activities and events, and to off-campus behavior that adversely affects the college and/or the college community and the Code applies to all students from the time of applying for admission through the awarding of a degree, diploma, or certificate.

Any student, or other member of the college community, who believes that he/she is or has been a victim of sexual harassment or sexual violence may file a report with the college's Chief Student Services Officer, campus law enforcement, or with the college's Title IX Coordinator, or designee. The Title IX Coordinator's office location, email address, and phone number are printed in the college's catalog and appear on the college's website. Students may also contact any Responsible Employee, who has an obligation to report any claim of sexual harassment or sexual assault to the Title IX Coordinator, or designee. The college will evaluate violations to their anti-bullying policy to determine if there is also a possible violation of Title IX. The Title IX Coordinator or designee will work with the student who filed a complaint ("Complainant") under this policy to mitigate, to the extent reasonably possible, the likelihood of additional injury during the pendency of the investigation and proceedings. After a complaint has been filed alleging a sex offense covered under this regulation that has occurred, the Title IX Coordinator, or designee will also accommodate Complainants' reasonable requests to change academic schedules, housing assignments, or to make other reasonable accommodations.

Reports may also be filed by any other member of the college community at any time. The Complainant may also file a criminal report regarding the alleged conduct. Title IX investigations are separate from criminal investigations. However, colleges may need to temporarily delay the fact-finding portion of a Title IX investigation while law enforcement gathers evidence. During this delay, colleges will take interim measures to protect the complainant in the educational setting. Additionally, all parties involved will receive updates of the status of the investigation and receive notification once the college resumes its Title IX investigation. The State Board for Technical and Comprehensive Education (SBTCE) and its member colleges encourage the prompt reporting of sexual misconduct to campus law enforcement and local law enforcement. Information regarding law enforcement reporting procedures is available on the colleges' websites.

Due to the seriousness of these issues, the college will provide educational programs to promote the prevention and awareness of rape, acquaintance rape, sexual violence, and other forcible and non-forcible sex offenses, as well as sexual harassment awareness programs.

If the alleged violator named in the report is an employee or third party, the case will be adjudicated through SBTCE Student Grievance Procedure (SBTCE Procedure 3-2-106.3) and/or SBTCE Non-Discrimination, Anti-Harassment, and Sexual Misconduct Procedure (SBTCE 8-5-101.1).

If the alleged violator of this policy is a student, the case may be adjudicated through the Formal Resolution Process (Section IV) or the Informal Resolution Process/Mediation (Section V) as outlined in SBTCE Student Grievance Procedure (SBTCE Procedure 3-2-106.3).

### **II. Definitions**

When used in this document, unless the context requires other meaning,

A. A Complainant is an individual alleging conduct prohibited under this regulation.

B. Conduct is considered "Unwelcome Conduct" if it is unrequested, uninvited, undesirable and/or offensive. Unwelcome conduct may take various forms, including, name-calling, graphic or written statements (including the use of cell phones or the Internet), or other conduct that may be physically threatening, harmful, or humiliating. Unwelcome conduct does not have to include intent to harm, be directed at a specific target, or involve repeated incidents. Participation in the conduct or the failure to complain does not always mean that the conduct was welcome. The fact that a student may have welcomed some conduct does not necessarily mean that a student welcomed other conduct. Also, the fact that a student requested or invited conduct on one occasion does not mean that the conduct is welcome on a subsequent occasion.

C. Consent is explicit approval and permission to engage in sexual activity demonstrated by clear action, words, or writings. Consent must be informed, voluntary, and mutual, and can be withdrawn at any time. There is no consent when there is force, expressed or implied, or when coercion, intimidation, threats, or

duress is used. Whether a person has taken advantage of a position of influence over another person may be a factor in determining consent. Silence or absence of resistance does not imply consent. Past consent to engage in sexual activity with another person does not imply ongoing future consent with that person or consent to engage in that same sexual activity with another person. If a person is mentally or physically incapacitated or impaired so that such person cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes impairment or incapacitation due to alcohol or drug consumption that meets this standard, or being asleep or unconscious.

D. A Hostile Environment exists when sex-based harassment is sufficiently serious to deny or limit the student's ability to participate in or benefit from the college's programs or activities. A hostile environment can be created by anyone involved in a college's program or activity (e.g., administrators, faculty members, students, and campus visitors).

E. Gender-Based Harassment is unwelcome conduct of a nonsexual nature based on a student's actual or perceived sex, including conduct based on gender identity, gender expression, and nonconformity with gender stereotypes.

F. Preponderance of Evidence is the standard used to evaluate the evidence for purposes of making findings and drawing conclusions for an investigation conducted under this regulation.

G. A Respondent is an individual accused of a violation under this regulation.

H. A Responsible Employee is any employee who has the authority to take action to redress sexual violence or any other misconduct by students to the Title IX Coordinator or other appropriate school designee; or who a student could reasonably believe has this authority or duty.

I. Retaliation is action taken by an accused individual or an action taken by a third party against any person that has opposed any practices forbidden under this policy or because that person has filed a complaint, testified, assisted, or participated in any manner in an investigation or proceeding under this policy. Action is generally deemed retaliatory if it would deter a reasonable person in the same circumstances from opposing practices prohibited by this policy.

J. Sex-Based Harassment includes sexual harassment and gender-based harassment.

K. Sexual Assault is actual or attempted sexual contact with another person without that person's consent. A. Reprimand--A written warning documenting that the student violated a student conduct regulation and indicating that subsequent violations could result in more serious disciplinary sanctions.

B. Special Conditions—Completion of a variety of educational activities, relating to the nature of the offense may be imposed. Examples include, but are not limited to, the following: a formal apology, an essay or paper on a designated topic, or participation in a special project or activity.

C. Disciplinary Probation--A written reprimand documenting that the student violated a student conduct regulation. Probation is for a specified period of time and it serves as a warning that subsequent violations could most likely result in more serious disciplinary sanctions.

D. Loss of Privileges-- Suspension or termination of particular student privileges.

E. Suspension from the college--Separation from the college for a specified period of time. Suspended students will not receive academic credit for the semester in which the suspension was imposed. During the suspension period, the student may not return to the campus unless prior permission by the Chief Student Services Officer, or designee, has been granted.

F. Expulsion from the college--Permanent separation from the college. An expelled student may not return to the campus unless prior permission by the Chief Student Services Officer, or designee, has been granted. An expelled student will not receive academic credit for the semester in which the expulsion was imposed.

G. Additional Measures – Minimizing contact between Complainant and Respondent; may include, but is not limited to change in academic and extracurricular activities, living arrangements, transportation, dining, and college-related work assignments, as appropriate.

H. Any combination of the above.

#### **IV. Formal Resolution Process**

##### **A. Preliminary Investigation**

Within five (5) instructional weekdays after the charge has been filed, the Title IX Coordinator, or designee, shall complete a preliminary investigation of the charge and schedule a meeting with the alleged violator (Respondent) and, if needed, the Complainant. During the pendency of the investigation, the college will take reasonable measures to ensure the requirements of any judicial no contact, restraining, or protective orders are followed while the Complainant is engaged in school activities. After discussing the alleged infraction with the Respondent and reviewing available information, the Title IX Coordinator, or designee will decide whether the information presented during the meeting indicates that a violation occurred. When the Respondent cannot be reached to schedule an appointment or when the Complainant fails to attend the meeting, the Title IX Coordinator, or designee, will base the decision upon the available information.

##### **B. Sanctioning**

If the available information indicates that a violation has occurred, then one of the following sanctions outlined in Section III will be imposed.

##### **C. Notification of Resolution**

Within five (5) instructional weekdays of completion of the preliminary investigation, the Title IX Coordinator, or designee, will send a certified letter to the Respondent and to the Complainant. This letter will confirm the date of the preliminary hearing, identify the specific regulation(s) that the Respondent allegedly violated, identify the decision, summarize the rationale, and, if the Respondent violated the regulation(s), state the sanction that was imposed. This letter must also state that if the Respondent or the Complainant disagrees with the decision or the sanction, either party may request a hearing before the Hearing Committee, that the request must be submitted no later than two (2) instructional weekdays after receiving the decision letter unless a request is made and approved by the Title IX Coordinator, or designee, for an extension, and that any decision made and sanction imposed after the preliminary investigation may be held in abeyance pending the outcome of the Hearing Committee's meeting. Under exceptional circumstances, the Title IX coordinator, or designee may extend the timeframe of the investigation and hearing process.

##### **D. Hearing**

If it is determined by the Title IX Coordinator, or designee, that the alleged violation occurred and that a hearing is necessary or if a hearing is requested, the Title IX Coordinator, or designee, shall refer the matter to the Hearing Committee together with a report of the nature of the alleged misconduct, the name of the person(s) filing the complaint(s), the name of the student against whom the charge(s) has (have) been filed, and a summary of the findings from the preliminary investigation. The Title IX coordinator, or designee, will also take steps, where necessary, to prevent the further harassment of or retaliation against the Complainant, the victim (if not the Complainant), or third parties, such as informing them about how to report subsequent problems, following up with them to ensure that there are no subsequent problems, providing trainings for the school community, and providing sexual harassment or sexual assault or other counseling to the Complainant. The Title IX Coordinator, or designee, where appropriate, will ensure the Complainant is aware of available resources such as victim advocacy, housing assistance, academic support, counseling, disability services, health and mental health services, and legal assistance. The Title IX Coordinator, or designee, where appropriate, will also take steps to prevent the harassment of the Respondent. Furthermore, the Title IX Coordinator, or designee will take prompt corrective action if the Complainant or the victim (if not the Complainant) experiences retaliation or is subjected to further sexual harassment or sexual assault or if the original sanctions imposed on the Respondent are ineffective to protect the safety and well-being of the Complainant, the victim (if not the Complainant), or other members of the Technical College community. In cases involving sexual harassment, the Title IX Coordinator, or

designee, will also take reasonable steps to eliminate any hostile environment that has been created, such as conducting trainings and disseminating informational materials. In taking the above-outlined steps, the Title IX Coordinator, or designee, will make every reasonable effort to minimize the burden on the Complainant and/or alleged victim.

1. At least seven (7) instructional weekdays before the date set for the Hearing Committee's meeting, the Title IX Coordinator, or designee, shall send a certified letter to the Respondent's address of record and to the Complainant's address of record. The letter must contain the following information:
  - a) A statement of the charge(s).
  - b) A brief description of the incident that led to the charge (s).
  - c) The name of the person(s) submitting the incident report.
  - d) The date, time, and place of the scheduled hearing.
  - e) Identification of the members and chair of the Hearing Committee
  - f) A list of all witnesses who might be called to testify.
  - g) A statement of each party's procedural rights. These rights follow:
    - 1) The right to consult counsel. This role of the person acting as counsel is solely to advise the student. Counsel may not address the Hearing Committee or participate in any of the questioning. The student has the responsibility for paying any of the counsel's fees and any other of the counsel's charges.
    - 2) The right to present witnesses on one's behalf.
    - 3) The right to know the names of any witnesses who may be called to testify at the hearing.
    - 4) The right to review all available evidence, documents, exhibits, etc., that may be presented at the hearing.
    - 5) The right to present evidence; however, the Hearing Committee will determine what evidence is admissible.
    - 6) The right to know the identity of the person(s) bringing the charge(s).
    - 7) The right to hear witnesses on behalf of the person bringing the charges.
    - 8) The right to testify or to refuse to testify without such refusal being detrimental to the student.
    - 9) The right to challenge the participation of any member of the Hearing Panel by submitting a written objection to the assigned Title IX Coordinator within three (3) days of notification. Such an objection must state the specific reason(s) for the objection. The Title IX Coordinator will evaluate the objection and determine whether to alter the composition. Any changes in the composition of the Hearing Panel will be provided in writing to both parties prior to the date of the first hearing.
    - 10) The right to a fair and impartial decision.
    - 11) The right to appeal the Hearing Committee's decision.
2. On written request of the Respondent or the Complainant, the hearing may be held prior to the expiration of the seven (7) day advance notification period if the Title IX Coordinator, or designee, concurs with this change.
3. The chairperson of the Hearing Committee, in his/her discretion, may postpone the hearing due to circumstances beyond the control of the parties.

#### E. Appeal

If either student disagrees with the decision or, only in the cases involving charges of sexual violence, the sanction, the student may submit a written appeal to the college's President. This letter must be submitted within ten (10) instructional weekdays of the date on which the Hearing Committee communicated its decision to the parties involved. The written appeal must include a statement indicating why the student disagrees with the Hearing Committee's findings.

The President, or designee, shall review the Hearing Committee's findings, conduct whatever additional inquiries as deemed necessary, and render a decision within ten (10) instructional weekdays of receiving the appeal. The President, whose decision is final, shall have the authority to approve, modify, or overturn the Hearing Committee's decisions and, if needed, void the process and reconvene another Hearing Committee. The President, or designee, will inform each student about the outcome of the appeal in a certified letter sent to the student's address of record.

#### V. Informal Resolution/Mediation Process

At any time before the Hearing Committee provides notice of the Complainant's hearing, the Complainant may elect to resolve his or her Complaint through the informal resolution (mediation) process, provided that (1) the Respondent agrees to such resolution, (2) the Complainant and the Respondent are both students, (3) the Title IX Coordinator, or designee, determines that informal resolution is an appropriate mechanism for resolving the Complaint, and (4) the Complaint does not involve sexual assault, sexual exploitation, and

sexual violence. Otherwise, a Complaint that is not closed pursuant to the Title IX Coordinator's, or designee's, evaluation of the Investigative Report will proceed to formal resolution.

At any time prior to the date of his or her designated hearing, the Respondent may elect to acknowledge his or her actions and take responsibility for the alleged sexual harassment or sexual assault, sexual exploitation, and sexual violence. In such a situation, the Title IX Coordinator will propose sanction(s). If the Complainant or the Respondent objects to such proposed sanction(s), then a Hearing Committee will convene for the exclusive purpose of determining a sanction, which determination may be subject to appeal. Informal resolution may not be selected for less than all of the misconduct alleged in the Complaint. If the parties agree to informal resolution (and informal resolution is appropriate for all the claims at issue), then all of the claims must be resolved according to the informal resolution process.

The Complainant and Respondent both have the right to terminate the informal resolution process at any time and proceed with formal resolution. Furthermore, the Title IX Coordinator, or designee, may, where appropriate, terminate or decline to initiate informal resolution, and proceed with formal resolution instead. In such cases, statements or disclosures made by the parties in the course of the informal resolution process may be considered in the subsequent formal resolution proceedings.

A. The Title IX Coordinator, or designee, will appoint a Mediator to oversee the mediation process.

B. Notice of the Mediation- Promptly after the Title IX Coordinator, or designee has appointed the Mediator; the Title IX Coordinator, or designee will provide concurrent written notice to the Complainant and the Respondent, setting forth 1.) the date, time, and location of the mediation; 2.) the name of the individual selected to serve as the Mediator.

C. No Contact- Parties may not contact each other outside of the mediation, even to discuss the mediation.

D. Attendance- Both the Complainant and the Respondent are expected to attend the mediation. If either party fails to appear at the mediation, and such party was provided proper notice of the mediation as set forth above, the Mediator may either direct that resolution of the Complaint to be determined according to the formal resolution process set forth above, or if the Complainant fails to appear without good cause, dismiss the Complaint.

#### E. The Mediation

1. The Complainant's Rights. During the mediation the Complainant may:

- a) Confront the Respondent in the presence of, and facilitated by, the Mediator
- b) Communicate his or her feelings and perceptions regarding the incident and the impact of the incident either by communicating directly with the Respondent or by communicating indirectly with the Respondent through the Presiding Officer and/or
- c) Relay his or her wishes and expectations regarding protection in the future.

2. Counsel and Advisors

- a) Legal Counsel- Under no circumstances may legal counsel be present at the mediation on behalf of the alleged Complainant or Respondent. The College, however, may seek advice from legal counsel on questions of law and procedure through the mediation process.
- b) Other Advisors- Absent accommodation for disability, the parties may not be accompanied by an advisor during the mediation.

3. Resolution

During the mediation, the Presiding Officer will attempt to facilitate the parties' resolution of the Complaint. If the mediation results in a resolution between the parties and the Title IX Coordinator, or designee, finds the resolution to be appropriate under the circumstances (giving consideration to the extent to which the resolution will protect the safety of the Complainant and entire college community), the informal disciplinary procedure will be concluded, and the complaint will be closed. If such a resolution is reached, the terms of the resolution shall be committed to writing and signed by all parties. If the parties are unable to reach a resolution, the formal resolution process outlined above will promptly commence.

4. Revocation

Any party bound by a resolution reached during mediation shall have the right to revoke the written mediation agreement provided such revocation is in writing and received by the Title IX Coordinator, or designee, no later than the close of business on the fifth day after full execution of the agreement.

F. Privacy and Disclosure. In order to comply with FERPA and Title IX and to provide an orderly process for the presentation and consideration of relevant information without undue intimidation or pressure, the informal resolution process is not open to the general public. Accordingly, documents prepared in anticipation of the mediation and other information introduced at the mediation may not be disclosed outside of the mediation, except as may be required or authorized by law.

G. Documentation. The college will retain any documentation of the mediation for at least seven (7) years.

## VI. Hearing Committee

The Hearing Committee shall be composed of the following:

- A. Five (5) faculty/and or staff members and one (1) Ex Officio nonvoting member appointed by the Title IX Coordinator, or designee.

- B. All cases are decided by a majority vote. In extenuating circumstances hearings may move forward with three (3) members.
- C. The Title IX Coordinator, or designee, will designate one (1) member of the Hearing Committee as the Chair.

The Hearing Committee shall perform the following functions:

- A. Hear cases of alleged violations of the Code of Student Conduct.
- B. Insure that the student's procedural rights are met.
- C. Make decisions based only on evidence and information presented at the hearing.
- D. Determine sanctions, giving consideration to whether a given sanction will (a) bring an end to the violation in question, (b) reasonably prevent a recurrence of a similar violation, and (c) remedy the effects of the violation.
- E. Provide the student with a statement of the committee's decision including findings of fact and, if applicable, impose one or more of the sanctions outlined in Section III.

#### *Hearing Committee Meetings*

- A. The chair shall be appointed by the Title IX Coordinator, or designee, from among the membership of the Committee. Ex officio members of the committee may not serve as the chair of the committee.
- B. Committee hearings shall be closed to all persons except the student, the person(s) initiating the charge(s), counsels for any student and for the college, witnesses who will be invited into the hearing and a person, mutually agreed upon by the Committee and the student(s), to serve as the recorder.
- C. The Committee may identify someone to take written notes and the committee will have the hearing, with the exception of deliberations, recorded. No other party in the hearing may record the proceedings, and no other party is entitled to a copy of the notes or the recording. The written notes and the recording will be maintained in the office of the Title IX Coordinator. The student may review the notes and listen to the recording under the supervision of the Title IX Coordinator or designee.
- D. Witnesses shall be called in one at a time make a statement and to respond to questions.
- E. After hearing all of the information, the Hearing Committee will begin its deliberations. Using the 'preponderance of evidence' standard, which means that it is more likely than not that the violation occurred. If it is determined that the violation occurred, by majority vote, the members will decide upon appropriate sanction.
- F. The Chair of the Hearing Committee will send a certified letter to the Respondent's and to the Complainant's addresses of record within two (2) instructional weekdays of the Committee's decision. The letter shall inform the students about the Committee's decision, the date of the decision, and, if applicable, the sanction(s) imposed. The letter will also inform each recipient about the appeal process.
  1. When the case results in a finding that the student engaged in an act of sexual violence, the Chair's letter to the Complainant will also include the sanction imposed by the Hearing Committee.
  2. When the case results in a finding that the student engaged in an act of non-violent sexual harassment, the Chair's letter to the Complainant will only include the sanction imposed by the Hearing Committee if the sanction directly relates to the Complainant (e.g., the violator has been directed to stay away from the Complainant while on the college's campus).

#### **VII. Confidentiality and Privacy**

The college will protect Complainants' privacy to the extent possible under the law. In some situations, including those in which disciplinary action is a possible outcome, due process may require disclosure of information to persons accused.

The college will make every reasonable effort to abide by Complainants' wishes to remain anonymous; however, the college will balance requests for anonymity/confidentiality with the safety of other members of the community. Factors that will be considered in determining whether to disclose a complaint or report of misconduct to a respondent include: the seriousness of the alleged conduct; the Complainant's age; whether there have been other complaints about the same individual; and the alleged violator's rights to receive information about the allegations if the information is maintained by the school as an "education record" under the Family Educational Rights and Privacy Act (FERPA). All hearings closed to all persons except those referenced in hearing section (VI, "Hearing Committee Meetings").

#### **VIII. Amnesty for Drug and Alcohol Possession and Consumption Violations**

Students are encouraged to report instances of sex-based discrimination, sexual harassment, and sexual harassment or sexual assault involving students. Therefore, students who report information about sex-based discrimination, sexual harassment, or sexual harassment or sexual assault involving students will not be disciplined by the college for any violation of the college's drug or alcohol possession or consumption policies in which they might have engaged in connection with the report.

### **3.2.106.3 Student Grievance Procedure**

#### **I. PURPOSE**

The purpose of the student grievance procedure is to provide a system to channel and resolve student complaints against a college employee concerning decisions made or actions taken. A decision or action can

be grieved only if it involves a misapplication of a college's policies, procedures, or regulations, or a state or federal law. This procedure may not be used in the following instances: 1) to grieve a claim against a college employee for any matter unrelated to the employee's role or position at the college; 2) for complaints or appeals of grades awarded in a class or for an assignment, unless the complaint is based upon alleged discrimination on the basis of age, gender, race, disability or veteran's status or on the basis of alleged sexual harassment; or 3) to grieve a decision for which other grievance or appeal procedures exist (e.g., appeal of a disciplinary case, a residency appeal, a financial aid appeal, FERPA grievances, transfer credit evaluations, etc.).

The student filing the grievance must have been enrolled at the college at the time of decision or action being grieved and must be the victim of the alleged mistreatment. A grievance cannot be filed on behalf of another person.

Before initiating the Student Grievance process, a student may go to the college employee who originated the alleged problem and attempt to resolve the matter informally. In instances alleging discrimination or harassment, including sexual harassment and violence, the student is not required to initially try to resolve the matter with the person alleged to have committed the violation under this policy. Where applicable, if the student is not satisfied with the outcome of this meeting or if the student prefers to ignore this step, then the student may file a written complaint and initiate the grievance process. This written complaint should describe the decision or action that is being grieved, the date of the decision or action, and the college employee(s) involved in the decision or action.

1. Written complaints about alleged discrimination or harassment on the basis of age, gender, race, color, national origin, disability or veteran's status and written complaints about alleged sexual harassment or violence shall be submitted to the employee(s) designated in the college's Statement of Nondiscrimination to coordinate Section 504, Title II, and Title IX compliance.

#### **D. Appeal Process**

If either party is not satisfied with the Student Grievance Committee's decision, that person may submit a written appeal to the President of the College within ten instructional weekdays of the Committee's decision. The written appeal must include a statement indicating why the person was not satisfied with the committee's decision. ## FERPA (Privacy Act)

### Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act of 1974, also known as FERPA or the Buckley Amendment, protect the privacy of student education records while allowing colleges to maintain campus safety.

FERPA requires colleges to keep education records confidential. The education records of students and formerly enrolled students consist of those records, files, documents and other materials directly related to a student that the College maintains, including digital records.

Colleges may disclose records without the consent of the student, if the disclosure meets one of the statutory exemptions, or if the disclosure is directory information and the student has not placed a hold on release of directory information.

Directory information includes: name of student, address (both local, including e-mail address and permanent), telephone number (both local and permanent), dates of registered attendance, enrollment status (e.g. full-time or part-time), school or division of enrollment, major field of study, nature and dates of degrees and awards received, participation in officially recognized activities and unique student identifier numbers (not Social Security Number).

Students who do not wish to be included in the directory must contact the Registrar's office.

Transcripts are issued by the Registrar's office. FERPA requires that an individual release form is signed by the student for each company, school or individual to whom you desire information released. Parents or guardians of dependent students may access dependent student records by completing a request form and providing appropriate documentation verifying the dependent status of the student to the office of the Vice President for Student Services.

**\*NOTE\*** Due to the Family Educational Rights and Privacy Act (FERPA) only a student him/herself can initiate a password reset request. Even if the student is a minor, parents may not request on behalf of the student.

For additional information on the Confidentiality of Student Records, go to [http://www.tridenttech.edu/start/registrar/ad\\_FERPA.htm](http://www.tridenttech.edu/start/registrar/ad_FERPA.htm)

## Academic Complaints by Students

Most academic matters generally will be left to the discretion of the faculty member; however, students may follow the procedure below concerning academic complaints. No retaliation or adverse action will be taken against the student for filing the complaint.

1. The student must first notify the faculty member of the complaint within 10 working days of the incident that generates the complaint.
2. The faculty member will discuss the matter with the student within 10 working days of this notice.
3. If the matter is not resolved in this informal conference, the student may file a written complaint with the faculty member's supervisor. Complaint forms are available in all academic division offices.
4. The supervisor must respond to the complaint within five working days of receipt of the complaint.
5. If the matter is still not resolved, the student will have five working days to present the written complaint to the next level supervisor (the dean or Assistant Vice President for Instruction).
6. If the matter is still not resolved, the student will have five working days to present the written complaint to the Vice President for Academic Affairs. In all cases, the decision of the vice president will be final.

# Faculty Employment and Evaluation

## English Fluency Requirements

### I. General Information

#### A. Purpose

These procedures were developed to comply with Tech policy 8-2- 109.1 and the English Fluency in Higher Education Act of 1991. The purpose of these procedures is to define methods to ensure that all permanent and adjunct faculty whose first language is other than English and who teach one or more credit courses possess adequate proficiency in both the written and spoken English language and that an appropriate response be given to the student complaints regarding an instructor's English fluency.

#### B. Exclusions

This policy does not apply to the following instructional settings: continuing education courses; student participatory and activity courses such as clinics, studio and seminars; special arrangement courses; courses designed to be taught predominantly in a foreign language; and courses taught by visiting instructors.

### II. Procedural Guidelines

- A. Applicants for permanent and adjunct faculty vacancies will proceed through the College's normal screening process with assessment based on standard job-related criteria to include perceived written and oral communication abilities.
- B. If an applicant becomes a finalist for a faculty position but his/her written or oral English proficiency is judged by the dean to require further evaluation, then the applicant will be referred to an English Fluency Evaluation Committee, hereafter referred to as the Committee. The committee will ensure that an English fluency evaluation is made on the basis of the following criteria. The applicant will be evaluated by the committee through the performance of the following minimum proficiency exercise:
  1. Writing an analysis of at least 350 words in English of a scholarly paper written in English and related to the subject area.

2. Conducting an oral instructional presentation for a time period equivalent to a class period and related to the subject area. At least half of the presentation should use the lecture method.
- C. The committee will include representatives from the following:
  1. One representative from the Vice President for Academic Affairs office;
  2. One representative from Developmental Studies Reading;
  3. One representative from curriculum English;
  4. One representative from Employee Relations. The committee will ensure that appropriate procedures are used to provide a favorable environment for the exercises, as well as controls and security to ensure that the exercises completed by the applicants are independent and original work. Candidates must be judged by Committee consensus as proficient in both exercises described in No. 2.
- D. Any grievances under this procedure are to be filed with the office of the Vice President for Academic Affairs. When a student files a grievance regarding the English fluency of an instructor, the instructor will be referred within 10 working days to the English Fluency Evaluation Committee for a proficiency evaluation using procedures and methods described in No. 1 and No. 2.
- E. An instructor who is judged proficient by the committee will continue teaching assignments without any further action. A permanent instructor judged deficient by the committee will be given 120 calendar days to develop sufficient skill to be judged proficient by the Evaluation Committee. If during this time the instructor has not shown evidence of satisfactory progress in overcoming the deficiency, additional action up to and including termination may be taken. The process of notification of need for correction of the deficiency as well as the maximum time allowed for correction are defined specifically in TTC Policy 8-0-0, Faculty Performance Management System.
- F. Any adjunct instructor judged deficient by the committee may be immediately terminated.
- G. The College's Human Resources office will annually report to SBTCE a recap

of grievances filed by students under the provisions of this policy and any invocation of the fluency proficiency guidelines herein.

## Faculty Evaluations

Trident Technical College continually strives to improve the quality of instruction. One of the College's most significant tools in this improvement effort is the Student Evaluation of Courses and Instructors. Collectively, students are the individuals best prepared to judge the quality of instruction.

The evaluation process is designed to protect each student's confidentiality. The evaluation form allows students to respond to questions related to the quality of their classroom experience. Students also are encouraged to write personal comments regarding any aspect of the course or instructor. Since the results are used to make changes in course content and to improve performance, it is important for students to be accurate and honest.

This evaluation is an online process, which sends the instrument directly to the student's e-mail account.

After all evaluations have been submitted, an independent, nonacademic office compiles the results. The final results for each course and instructor are shared with the appropriate academic department and are used to improve the quality of courses and instruction.

## Transfer Policy for Public Two-Year and Four-Year Institutions in South Carolina (Revised 12/2009)

The South Carolina Course Articulation and Transfer System serves as the primary tool and source of information for transfer of academic credit between and among institutions of higher education in the state. The system provides institutions with the software tools needed to update and maintain course articulation and transfer information easily. The student interface of this system is the South Carolina Transfer and Articulation Center (SCTRAC) web portal: [www.SCTRAC.org](http://www.SCTRAC.org). This web portal is an integrated solution to meet the needs of South Carolina's public colleges and universities and their students and is designed to help students make better choices and avoid taking courses which will not count toward their degree. Each institution's student information system interfaces with [www.SCTRAC.org](http://www.SCTRAC.org) to help students and institutions by saving time and effort while ensuring accuracy and timeliness of information.

### Admissions Criteria, Course Grades, GPA's, Validations

All four-year public institutions will issue a transfer guide annually in August or maintain such a guide online. Information published in transfer guides will cover at least the following items:

- A. The institution's definition of a transfer student.
- B. Requirements for admission both to the institution and, if more selective, requirements for admission to particular programs.
- C. Institutional and, if more selective, programmatic maximums of course credits allowable in transfer.
- D. Information about course equivalencies and transfer agreements.
- E. Limitations placed by the institution or its programs for acceptance of standardized examinations (e.g., SAT, ACT) taken more than a given time ago, for academic coursework taken elsewhere, for coursework repeated due to failure, for coursework taken at another institution while the student is academically suspended at his/her

home institution, and so forth.

- F. Information about institutional procedures used to calculate student applicants' GPAs for transfer admission. Such procedures will describe how nonstandard grades (withdrawal, withdrawal failing, repeated course, etc.) are evaluated; and they will also describe whether all coursework taken prior to transfer or only coursework deemed appropriate to the student's intended four-year program of study is calculated for purposes of admission to the institution and/or programmatic major.
- G. Institutional policies related to "academic bankruptcy" (i.e., removing an entire transcript or parts thereof from a failed or underachieving record after a period of years has passed) so that re-entry into the four-year institution with course credit earned in the interim elsewhere is done without regard to the student's earlier record.
- H. "Residency requirements" for the minimum number of hours required to be earned at the institution for the degree.

### **South Carolina Transfer and Articulation Center (SCTRAC)**

All two- and four-year public institutions will publish information related to course articulation and transfer, including but not limited to items A through D mentioned above, on the South Carolina Transfer and Articulation Center website ([www.SCTRAC.org](http://www.SCTRAC.org)). Course equivalency information listing all courses accepted from each institution in the state (including the 86 courses in the Statewide Articulation Agreement) and their respective course equivalencies (including courses in the "free elective" category) will be made available on [www.SCTRAC.org](http://www.SCTRAC.org). This course equivalency information will be updated as equivalencies are added or changed and will be reviewed annually for accuracy. Additionally, articulation agreements between public South Carolina institutions of higher education will be made available on [www.SCTRAC.org](http://www.SCTRAC.org), will be updated as articulation agreements are added or changed, and will be reviewed annually for accuracy. All other transfer information published on [www.SCTRAC.org](http://www.SCTRAC.org) will be reviewed at least annually and updated as needed.

### **Statewide Articulation of 86 Courses**

The Statewide Articulation Agreement

of 86 courses approved by the South Carolina Commission on Higher Education for transfer from two- to four-year public institutions is applicable to all public institutions, including two-year institutions and institutions within the same system. In instances where an institution does not have courses synonymous to ones on this list, it will identify comparable courses or course categories for acceptance of general education courses on the statewide list. This list of courses is available online at [www.che.sc.gov](http://www.che.sc.gov) as well as on [www.SCTRAC.org](http://www.SCTRAC.org).

### **Statewide Transfer Blocks**

The Statewide Transfer Blocks established in 1996 will be accepted in their totality toward meeting baccalaureate degree requirements at all four-year public institutions in relevant four-year degree programs. Several Transfer Blocks were updated in March 2009: Arts, Humanities, and Social Sciences; Business; Engineering; and Science and Mathematics; the remaining Transfer Blocks, Teacher Education and Nursing are currently being revised. The courses listed in each Transfer Block will be reviewed periodically by the Commission's Academic Affairs staff in consultation with the Advisory Committee on Academic Programs to ensure their accuracy, and the Transfer Blocks will be updated as needed.

For the Nursing Transfer Block, by statewide agreement, at least 60 semester hours will be accepted by any public four-year institution toward the baccalaureate completion program (BSN) from graduates of any South Carolina public associate degree program in nursing (ADN), provided that the program is accredited by the National League for Nursing Accrediting Commission or the Commission on Collegiate Nursing Education and that the graduate has successfully passed the National Licensure Examination (NCLEX) and is a currently licensed Registered Nurse.

Any student who has completed either an Associate of Arts or Associate of Science degree program at any public two-year South Carolina institution which contains the total coursework found in the Arts, Humanities, and Social Sciences or the Science and Mathematics Transfer Block will automatically be entitled to junior-level status or its equivalent at whatever public senior institution to which the student might have been admitted. However, as agreed by the Advisory Committee on Academic Programs, junior status applies only to campus activities such as priority order for registration for courses, residence hall assignments, parking, athletic event

tickets, etc. and not in calculating academic degree credits.

For a complete listing of all courses in each Transfer Block, see <http://www.che.sc.gov/AcademicAffairs/TRANSFER/Transfer.htm>.

### **Assurance of Transferability of Coursework Covered by the Transfer Policy**

Coursework (i.e., individual courses, transfer blocks, and statewide agreements) covered within this transfer policy will be transferable if the student has completed the coursework with a "C" grade (2.0 on a 4.0 scale) or above. However, the transfer of grades does not relieve the student of the obligation to meet any GPA requirements or other admissions requirements of the institution or program to which application has been made. In addition, any four-year institution which has institutional or programmatic admissions requirements for transfer students with cumulative grade point averages (GPAs) higher than 2.0 on a 4.0 scale will apply such entrance requirements equally to transfer students from regionally accredited South Carolina public institutions regardless of whether students are transferring from a four-year or two-year institution.

Any coursework covered within this transfer policy will be transferable to any public institution without any additional fee and without any further encumbrance such as a "validation examination," "placement examination/instrument," "verification instrument," or any other stricture, notwithstanding any institutional or system policy, procedure, or regulation to the contrary.

### **Assurance of Quality**

All claims from any public two- or four-year institution challenging the effective preparation of any other public institution's coursework for transfer purposes will be evaluated by the staff of the Commission on Higher Education in consultation with the Advisory Committee on Academic Programs. After these claims are evaluated, appropriate measures will be taken to ensure that the quality of the coursework has been reviewed and approved on a timely basis by sending and receiving institutions alike.

### **Transfer Officers**

Each institution will provide the contact information for the institution's Transfer Office personnel, including telephone numbers, office address, and e-mail address, on its website and on [www.SCTRAC.org](http://www.SCTRAC.org).

Transfer office personnel will:

- Provide information and other appropriate support for students considering transfer and recent transfers.
- Serve as a clearinghouse for information on issues of transfer in the state of South Carolina.
- Provide definitive institutional rulings on transfer questions for the institution's students under these procedures.
- Work closely with feeder institutions to assure ease in transfer for their students.

### **Statewide Publication and Distribution of Information on Transfer**

The staff of the Commission on Higher Education will place this document on the Commission's website under the title "Transfer Policies." In addition, information about transfer, including institutional policies, course equivalencies, and articulation agreements, will be published and distributed by all public institutions through transfer guides and be made available on [www.SCTRAC.org](http://www.SCTRAC.org). Furthermore, course catalogs for each public two- and four-year institution will contain a section entitled "Transfer: State Policies and Procedures." This section will:

- A. Include the Transfer Policy for Public Two-Year and Four-Year Institutions in South Carolina.
- B. Refer interested parties to [www.SCTRAC.org](http://www.SCTRAC.org) as well as to the institutional Transfer Guide and institutional and Commission on Higher Education's websites for further information regarding transfer.

For statewide information about articulation agreements and course equivalencies, to [www.sctrac.org](http://www.sctrac.org) and [www.che.sc.gov/academicaffairs](http://www.che.sc.gov/academicaffairs).

For more information regarding transfer to four-year colleges and universities, contact Susan Norton, assistant vice president of Academic Programs, or visit our Web site at [www.tridenttech.edu](http://www.tridenttech.edu).

## Residency Requirements for Public Colleges in South Carolina

The South Carolina Commission on Higher Education (SCCHE) monitors the residency laws and regulations for tuition and fees at all public colleges and universities in the state of South Carolina. Students Can review the residency requirements at <http://www.chc.sc.gov/StudentServices/Residency/Residency.htm>.

## Alcohol and Drug Use

### Policy and Information for Employees and Students of the South Carolina Technical College System

It is the policy of the South Carolina Technical College System to provide a drug free, healthful, safe and secure work and educational environment. Employees and students are required and expected to report to their work, class or student activities in appropriate mental and physical condition to meet the requirements and expectations of their respective roles. The South Carolina Technical College System prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Unlawful for these purposes means in violation of federal/state/local regulations, policy, procedures, rules, as well as legal statutes. Workplace means either on agency premises or while conducting agency business away from the agency premises. Educational setting includes both institutional premises or in approved educational sites off campus.

In order to prevent the consequences of alcohol and other drug abuse at the workplace and in the educational setting, the South Carolina Technical College System has implemented this policy to ensure a drug-free work and educational environment.

The South Carolina Technical College System recognizes that chemical dependency through use of controlled or uncontrolled substances, including alcohol, is a treatable illness. The agency supports and recommends employee and student rehabilitation and assistance programs and encourages employees and students to use such programs.

All locations also will implement drug-free

awareness programs for employees and students. Such programs will annually ensure that employees and students are aware that:

1. Alcohol and other drug abuse at the workplace and in the educational setting is dangerous because it leads to physical impairment, loss of judgement, safety violations and the risk of injury, poor health or even death. Health risks and effects of controlled substances and alcohol will be provided to students and employees.
2. Alcohol and other drug abuse also can significantly lower performance on the job and in the classroom, thus impacting on the agency and the College mission, as well as seriously affect the student's educational and career goals.
3. Employees must report any personal conviction under a criminal drug statute, for conduct at the workplace, to their human resources officer within five days.
4. It is a condition of employment and admission that all employees and students must abide by the policy on alcohol and other drug use as well as related procedures statements/laws/guidelines. Violation of any provision may result in disciplinary action up to and including termination or expulsion respectively, and may have further legal consequences consistent with federal and state laws and regulations. Additionally, management may require an employee or student to enter an employee/ student assistance or drug rehabilitation program as a condition of employment or enrollment.
5. Use of employee assistance programs (EAP), student assistance programs (SAP), or drug/alcohol rehabilitation services is encouraged.

### LOCAL INFORMATION

In addition to federal and state statutes, there are statutes or ordinances in the towns and cities in South Carolina which prohibit the use or distribution of alcohol or other drugs in the municipalities. These ordinances or statutes also carry penalties including jail and/or fines.

For an explanation of the counseling services available to TTC employees, see the College's Employee Assistance Program procedure 8-13-5, available in the College's Policy and Procedure manual, in Learning Resources at all three campuses. Also, TTC Procedure 8-7-1 contains additional information on the Drug Free Workplace

Act and the Drug Free Communities and Schools Act. There can be serious employee sanctions for violation of these acts following the College's employee discipline processes, found in SBTCE policy 8-5-100 and procedure 8-5-100.1. The sale, possession or consumption of alcoholic beverages and/or narcotics, hallucinogens, stimulants and marijuana are specifically prohibited at TTC. The College will not tolerate students coming on campus in an intoxicated state. Violators are subject to prosecution under local, state and federal law and/or College policy. For details, read the Student Code in the Catalog/Student Handbook, available in the Student Affairs office.

TTC's Counseling and Career Development Services are available to assist in determining appropriate resources to meet student needs regarding drug or alcohol abuse. The office is located on Main Campus, Building 410, Room 210. Counselors are available Monday through Friday from 8:30 a.m. to 5 p.m. To make an appointment call 574-6131.

## **CAMPUS SECURITY AND DISCLOSURE INFORMATION**

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC 1092(f)) and the Code of Federal Regulations require that all institutions of higher education that participate in federal student aid programs must prepare and distribute an annual report describing the institution's policy on crime prevention issues and statistics on the number of specific crimes (murder, manslaughter, rape, robbery, aggravated assault, burglary, motor vehicle theft, and arson) that have occurred on campus, on non-campus buildings or property, or on public property that is contiguous to campus property. The annual report must also list the number of arrests and administrative disciplinary actions for liquor law, drug and weapons possession violations. These statistics are also required to be reported annually to the U.S. Department of Education, Office of Postsecondary Education (OPE) to assist students and their parents in researching

criminal offenses on college campuses.

In addition to publishing crime statistics, the act requires colleges to provide timely warnings to the campus community of certain crimes reported to Public Safety or local law enforcement that may be considered threats to students and employees.

TTC complies with this law in the following manner:

- A. On an annual basis, TTC publishes a summary of specific crimes committed in the geographic categories as described above, for the most recent three calendar years. Public Safety publishes this information on TTC Public Safety's web site (<http://www.tridenttech.edu/about/departments/safety/index.htm>) and on OPE's web site ([www.ope.ed.gov/security](http://www.ope.ed.gov/security)).
- B. In the case of an immediate threat to persons or property, TTC communicates the pending danger to students and employees through Crime Alert Bulletins. Public Safety sends Crime Alert Bulletins to faculty, staff and students through electronic mail. Crime Alert Bulletins are also posted on Public Safety's webpage;
- C. TTC maintains partnerships with all local police organizations to assist in communicating information and protecting persons and property in the case of an immediate danger; and
- D. On a monthly basis, TTC reports the number and types of crimes committed on its campuses to state and federal authorities.
  - Employees and students should report all crimes and suspicious situations to Public Safety immediately. Employees and students should address any comments concerning TTC's compliance with the act to the Director of Public Safety.
  - Federal, state and local law enforcement agencies supplement law enforcement activities on campus through concurrent jurisdictions

## GLOSSARY

### Glossary of College Terminology

Every organization has a unique language. Thousands of colleges and universities in the United States are collectively referred to as institutions of higher learning and all generally use the same language.

Sometimes you get the right answer to a question you asked, but the wrong answer to the question you thought you asked because you did not know the College's language.

You can misunderstand important information given to you from a College office because you are not familiar with College terminology.

College life will be less complicated if you familiarize yourself with College language.
